

# IACBE Annual Report

For the 2008-2009 Academic Year

*This is format for the 2008-2009 annual report you may submit your report using this form or through Livetext. Annual Reports accomplish several things: (1) the report can now be completed and conveniently submitted to the IACBE via email (to amy@iacbe.org); (2) we have provided an example of reported results from outcomes assessment results activities; (3) changes in administrative personnel can be more clearly reported to maintain current member information.*

This annual report should be completed for your academic business unit and submitted to the IACBE by November 1, 2009.
