

## Associate of Education

### Why should I choose the Associate of Education program?

This program is designed for students who desire to teach in public schools or private schools. Because of the growing Christian school movement and its need for teachers who have developed a Christian philosophy of education and have integrated their knowledge of the Bible with professional and general knowledge subjects, Grace University launched this program in 1998. Grace also recognized that qualified Christians can have a significant impact on society by serving as educators in public settings as well as other educational settings such as private sectarian or religious schools. The program has standard approval status with the Nebraska Department of Education (NDE). The goal of the program is to prepare educators in defined areas of endorsement who meet the certification requirements of the Nebraska Department of Education as well as the Association of Christian Schools International (ACSI).

What type of degree will I earn at Grace University if I enroll in this program? Graduates of the Associate of Education program will earn an Associate of Arts degree.

What kind of jobs would be available to me after I graduate from Grace University with this major? This degree will prepare the student for work as a para-professional in a Christian or public school setting.

For more information on this program, contact the Admissions Office at 1.800.383.1422 or [Admissions@GraceUniversity.edu](mailto:Admissions@GraceUniversity.edu).
