

Discipleship Certificate

Why should I choose the Discipleship Certificate? The Discipleship Certificate is a program that reflects the strong tradition of Christian ministry at Grace University. The Discipleship Certificate, while self-contained by design, is constructed in such a fashion that a student can continue for a second year and complete an Associate in Bible. This program also satisfies the requirement of many mission agencies for a one-year biblical studies program.

What type of degree will I earn at Grace University if I enroll in this program? This is a one year certificate program. Students can continue on to an associate's or bachelor's degree program at Grace University or another institution.

What kind of jobs would be available to me after I graduate from Grace University with this major? The motivation for the Certificate is rooted in the principle that all Christ-followers are called to ministry—lay persons and vocational ministry professionals alike. Since some men and women are unable to complete typical two and four-year degree programs, this program is designed to provide a single year of study to those who want basic education and training in Bible and theology, as well as in Christian life and ministry.
