

Stromsburg Baptist Church

Youth Ministries Summer Intern

Job Description

Purpose

The purpose of the Youth Ministries Summer Intern program at Stromsburg Baptist Church is to (1) further develop and equip those who sense a calling to serve the Lord through ministry to teenagers and to (2) serve the body of Stromsburg Baptist Church and the Pastor by providing leadership to our summer youth ministries in order to fulfill the SBC Vision Statement for youth ministry.

Accountability

The intern will be responsible primarily to the Pastor, but will have exposure to and working relationships with the entire the Youth Leadership Team. The intern will meet each week with the Pastor to discuss personal and ministry goals along with the details of his or her weekly internship report. This may also include periodic meetings with other church staff and boards.

Responsibilities

The responsibilities of each intern will be determined partly by the (1) intern's gifts, availabilities, interests and abilities, as well as by (2) the current needs and assessments as determined by the Pastor. These will include, but not be limited to:

- *building relationships with students, parents and adult leaders*
- *teaching Sunday School and leading youth group gatherings*
- *networking and cooperating with other youth workers in Stromsburg and in the Converge Heartland District for summer camps and other events*
- *planning, implementing, evaluating and promoting other youth ministry events*

all as they relate to the area of the youth group and to the overall mission and function of Stromsburg Baptist Church.

The intern will also be responsible for writing a summer-end report describing his experience as well as for the completion of an evaluation at the conclusion of the internship program.

Length of Service

The intern will be expected to devote at least 40 hours/week in ministry over a period of three months. The intern will be compensated for their service with a stipend of up to \$4000.
