

REQUEST FOR ACADEMIC MINOR

A minor is an area of specialization where a student selects courses within a specific department to enhance his or her major or simply to take courses in an area of personal interest. Adding an academic minor requires the approval of the department that offers the minor and the subsequent submission of this approved form to the Registrar's Office.

The department offering the minor establishes the specific requirements for its minor. See the Academic Catalog for specific requirements. The student must declare the minor prior to completing the coursework for the minor. A minor may not be earned in the same area as the major. All minors require a minimum number of hours at the upper division level (300/400). The following minors are available at Grace University.

The completed form should be turned in to the Registrar's Office.

Student's Name: _____
First Middle Maiden Last

Academic Minor requested:
