This catalog describes policies, programs, and procedures of Grace University that are in effect at the time of its preparation, September 2010.

Grace University reserves the right to change any of its rules and regulations at any time, including those relating to admissions, instruction and graduation. The right to withdraw curricula and specific courses, alter course content, change the calendar and to impose or increase tuition or other fees similarly is reserved. All changes are effective at such time as the proper authorities determine and may apply not only to prospective students but also to those who are already enrolled in the University.
The provisions of the catalog are not, and should not be construed to be, a binding contract between students and the University.
A Personal Note from the President

The Grace University catalog reflects Grace University’s commitment to strong, Christ-centered education. As you review the catalog, please remember that Grace seeks to add value to your life in at least three areas: (1) Grace adds value to your life by enabling you to develop a well-integrated Christian worldview. You will study God’s revelation and integrate it with all the disciplines of human knowledge. (2) Grace adds value to your life by helping you develop key skills for living—e.g., time management, stress management, interpersonal relationship skills and honing your reading and communication skills. (3) Grace adds value to your life in character development. The core values of honesty, integrity and personal responsibility are central to our student development office. Internalizing these values is what Grace is all about.

May God guide you as you seek to do His will and prepare for a life of serving Him and His people.

In His mighty grasp,

James P. Eckman, Ph.D.
President

General Information

Our Mission
Grace University exists to develop servant leaders for the home, the church and the world through excellence in biblically-integrated education and through life change in a personal, discipling environment, all for the glory of God.

Our Past

66 YEARS BY THE GRACE OF GOD
Grace University was born in prayer as a group of ten Mennonites met in Omaha, Nebraska, on June 1, 1943, to pray and plan for a college-level institution that would be fundamental in doctrine, vitally spiritual in emphasis, and interdenominational in scope. The need for such Bible-centered education became increasingly apparent to these evangelical pastors. A number of them shared this common concern with each other during the commencement activities at the Oklahoma Bible Academy in Meno, Oklahoma, in 1942. So in the providence of God, they selected Omaha as a central location for the meeting that led to the founding of Grace Bible Institute.

From June 1 through September 8, 1943, the Lord opened doors and removed obstacles in such unusual ways that all were convinced that this new venture of faith was from God. At the dedicatory service on September 8, 1943, Dr. C.H. Suckau, chairman of the Board of Directors and later a president of the college, mentioned seven specific answers to prayer:

1. Location—the Lord definitely led the original group of men to Omaha on June 1 and opened doors for them.
2. Temporary Facility—the Presbyterian Theological Seminary was made available for use without any financial obligation other than its upkeep.
3. Incorporation—the laws of Nebraska were such that incorporation under the existing laws was impossible. But these laws were revised just as the founders were faced with the alternative of having to locate Grace Bible Institute in some other state.
4. Faculty—the college opened with a complete staff of teachers, having received the consent of the last needed faculty member by telegram that very afternoon at 3:00.
5. Student Body—a total of 18 students registered on the first day (and five more a few days later).
6. Funds—in a short time, the Lord’s people sent in over $7,000 in gifts.
7. Permanent facility—the Lord preserved Stuntz Hall for Grace Bible Institute, so that on the afternoon of September 8, the Board of Directors signed a purchase contract for the building in the amount of $25,000.

In his book, The Story of Grace, Paul Kuhlmann documents many of the miraculous answers to prayer evident during the first 35 years of the University’s history. It is a testimony of God’s gracious provision and direction. The student enrollment grew rapidly in the early years so that by 1949 it had reached 331. The diversity of the student body in recent years indicates its interdenominational nature and widespread appeal to students who desire a Bible-centered college education.

In his book, Committed to the Vision: 50 Years by the Grace of God, Harold J. Berry gives highlights of each presidential administration and focuses attention on those who have served Grace University 25 years or more. The Board of Trustees, Advisory Council, administrators, faculty and staff provide a rich spiritual heritage for the University.

Academic programs have been expanded and upgraded to reach each generation; the administrative structure has been revised and faculty has grown in size. Most significantly, the University has remained vigilant in upholding the fundamentals of the faith maintaining, without reservation, that the Bible is the inspired Word of God. In 1976, when a change of name was considered, “Grace Bible Institute” became “Grace College of the Bible.”

The physical plant has been expanded through the construction and purchase of additional facilities. The expansions include Suckau Chapel (basement, 1949; main floor, 1957); Schmidt Hall (1962); Harold D. Burkholder Center (1967) which includes the Jim Classen Gymnasium (2003); and the Donald J. Tschetter Academic Building (1975).

In 1977, the University purchased the St. Catherine’s Hospital Center for Continuing Care. This acquisition added nearly 2.7 acres to the campus and doubled facility space, making it the largest and most significant property acquisition in the history of the University. Three sections - Stanford Hall, Rieger Hall, and Waldo Harder Hall—have been utilized as dormitory facilities. A fourth section houses administrative offices, conference rooms and classrooms, and a fifth section houses the faculty offices and music rooms. Additional facilities in the complex will be renovated, as needed, for student housing, classrooms, and offices. Each facility expansion was an adventure of faith and a distinct answer to prayer.

In 1993, President Neal McBride proposed that Grace consider a new identity as “Grace University.” During the 1993-94 academic year, a feasibility study for restructuring was accomplished. In May 1994, the Trustees formally adopted restructuring as Grace University, which consists of three colleges: Grace College of the Bible, Grace College of Graduate Studies, and Grace College of Continuing Education.

On July 1, 1995, the institution’s new corporate identity as Grace University became official. Today, President James P. Eckman leads Grace University.
In 2003 the Jim Classen Gymnasium was dedicated, providing physical fitness and athletic opportunities to the campus community. With this construction, the Duerksen Center was renamed the Harold D. Burkholder Center, and the dining commons was named in honor of Vernon Duerksen.

**Our Present**

*The core values of academic excellence, life change, and world impact continue to shape the vision of Grace. These foundational values stimulate the Power of Grace!*

During the past 67 years, more than 8,000 students have studied at Grace University. Many of our alumni are actively involved in full-time church-related ministries. Many are serving in cross-cultural and international missions, in pastoral ministry, in Christian education, in music, and in Christian radio and telecommunications. Others impact the marketplace for Christ serving as lay leaders in local churches and church-related organizations. Many are educators, business people, farmers and ranchers, and public servants in governmental settings.

The oversight of Grace University is vested in a strong, spiritually minded Board of Trustees, representing various denominations. A variety of advisory teams assist in guiding various operations within the University. The Grace University Foundation Board of Directors works closely with the University Development Department in friend building, fund raising, and investment management. The Grace University Parents Association (GUPA) works in association with the President’s Office regarding institutional and student support. The Alumni Association, a vital advisory group, connects our strong heritage with our ongoing mission of preparing men and women as servant leaders for the home, the church and the world.

**What Makes Our Education Different**

*The education offered at Grace University differs from a secular liberal arts education or even a Christian liberal arts education in a number of ways. Students should note the following differences that make us distinctive:*

**Academic Focus**

Grace University broadens a student's education by using Bible and Bible-related courses as a foundation for various professions and vocations. Primary focus is on the Bible, with the humanities and sciences serving a supportive role. The particular emphasis of the liberal arts college, by contrast, is to provide a “liberal” (i.e. broad) education in the humanities and sciences as a foundation for professions and vocations. With our focus on the Bible and life application, Grace University emphasizes basic life skills development for the home and family, active involvement in a local church as an expression of commitment to community, and Christian character development with a critically thinking, ethical mind for the work place.

**Integration of Knowledge and Skills**

At Grace University, the Bible is the integrating dynamic of our curriculum. Each bachelor level student at Grace University pursues a double major — the first in Biblical Studies and the second in a professional or vocation field of his/her choice. All students at the bachelor level are required to complete a minimum of 30 hours in textual Bible and theology; many programs require approximately 40 hours. All students at the associate level are required to complete a minimum of 30 hours in Bible and theology. General Education requirements in all bachelor level programs require a minimum of 36 hours; many programs require approximately 40 hours. Students are required to integrate their thinking about the world (General Education) and their understanding of the Word (Scripture and Theology). This core helps students form a unified Christian worldview and philosophical perspective on life.

On this integrated foundation of Biblical Studies and General Education, professional studies are added in order to round out the entry-level professional for his or her work place. These professional studies also provide leadership development skills and life-long learning skills whereby the student will not simply be limited to his initial vocational responsibilities. With time and maturity, we believe our graduates become ideal first level supervisors and managers, and some mature into key leadership roles within their vocational fields. At Grace University, most professional programs at the bachelor level require 40 to 50 hours of professional studies to fully train the individual for his/her stated vocation calling and for leadership capacities for the home, the church and the world.

**Servant Leadership Training**

Practical field experience and community volunteerism are integral parts of the education process at Grace University; thus, all certificate, associate, and bachelor degree students are required to participate in Servant Leadership Training. This two-semester program coordinates the activities of students throughout their education at Grace.
Throughout each semester of full-time enrollment, each student volunteers in a ministry or community agency whereby they impact the lives of other people. These settings may include jail visitation, tutoring at-risk youth, ministering to children and youth in church settings, assisting in disaster relief, YMCA youth programs, or senior citizen and hospice visitation programs. Each student’s SLT assignment must be approved each semester, and students receive formal evaluation from our SLT Director as well as the agency or ministry supervisor. During the 2008-2009 school year, students volunteered more than 28,000 clock hours of community service in the greater Omaha community. The University’s student body was honored to receive the 2002 “Making It Happen Award” presented by the United Way of the Midlands on behalf of the community.

**Personal Spiritual Life**

Grace University places heavy emphasis upon spiritual formation and ministry skill development regardless of the vocational direction a student has chosen. Spiritual formation includes a lifestyle of daily quiet time to read Scripture, meditation, prayer, and the pursuit of a worshipful focus on God. Spiritual formation also includes development of a Christ-honoring lifestyle including self-discipline, ethical decision-making, and abstaining from behavior and attitudes that Scripture calls “sin.” Ministry skill development includes development of one’s ability to share one’s faith with others, to speak about and teach Scripture publicly in a variety of ministry settings, and to engage in Christian worship with sensitivity to various traditions and styles. Grace University offers a complement of weekly chapels, called Grace L.I.F.E. (Life Integration For Excellence), a Fall Bible Conference, a Spring Jared T. Burkholder Conference on Global Engagement, a Day of Prayer each semester, lectureships & forums, campus mentoring programs, and support of church ministries throughout the local area to help facilitate the development of the student’s spiritual life and ministry skills.

**Faculty Commitments**

Like other institutions of higher education, Grace University prides itself in its faculty and the academic freedom each has in accomplishing his/her duties in the classroom, in research, and in community service. What distinguishes our faculty is not their academic achievements, but their desire to devote these achievements to Christ, to their local churches and global missions, and to the theological position of Grace University. Many private colleges are Christian in name, but their faculty promotes a worldview that is anything but Christian. At Grace University, faculty view their teaching responsibilities as being supportive of the values of the home and of the church. Faculty see themselves as key role models for students of godliness as well as scholarship. Our faculty do not see it as their role to undermine a student’s confidence in Scripture or personal faith, or to challenge the values of their parents; rather, our individual and collective role is to encourage students and help integrate faith, the Word, and values into all aspects of life.

In summary, this means that the students who complete certificate, associate, and bachelor level programs at Grace University should be Christ-like, maturing, responsible individuals who have basic knowledge of Scripture and the world, and have skill in integration of this knowledge. They are equipped, motivated, and dedicated to serve God as servant-leaders with the skills to accomplish the entry-level tasks in the vocational or professional field chosen, yet willing to go anywhere and do anything challenged by the Lord. Ultimately, they will become servant leaders for the home, the church, and the world.

**What We Believe**

As a Christ-centered educational institution, Grace University consciously recognizes and submits itself to the Scriptures. The University does not require students to agree with all the nuances of its Doctrinal Statement, but we do ask them to subscribe to certain biblical tenets of faith. Grace identifies these seven primary doctrines as the following:

- The Trinity.
- The Full Deity and Humanity of Jesus Christ.
- The Spiritual Lostness of the Human Race.
- The Substitutionary Atonement and the Bodily Resurrection of Christ.
- Salvation by Faith Alone.
- The Physical and Visible Return of Christ.
- The Authority and Inerrancy of Scripture.

Faculty will teach with the full Doctrinal Statement in mind; but we welcome warm dialogue with students of varying backgrounds who subscribe to the above positional statements.

Members of the Board of Trustees, the Administration, and the Faculty are required to annually affirm, in good conscience, the Institutional Doctrinal Statement, which is found at the end of this catalog.

**Student Characteristics**

Due to our institutional mission, we believe education should reach beyond vocational skills and training. We believe it is important to develop all students in character and leadership skills so that they can be servants in the home, the church and the community/world in which they live. The characteristics listed below identify key character traits of a servant...
leader. Whether a student is in our undergraduate or graduate program, our faculty seeks to develop these characteristics in every graduate.

A Biblically Literate Student
A Grace graduate is a Christian who knows Scripture and can interpret and apply it to life situations. The Grace graduate is able to systematize that biblical knowledge into theological propositions and communicate those propositions to others in relevant ways.

A Critical Thinker
A critical thinker searches for and promotes truth in all disciplines of human knowledge. A critical thinker is one who, while critically analyzing the world, makes wise choices in life integrating literacy about the world with literacy of Scripture. A Grace graduate is a Christian who observes the world (general revelation) and who knows, interprets and assesses the merits and limitations of the various belief and value systems developed throughout history.

An Obedient Disciple
A Grace graduate is a Christian who acts consistently with the commands of Scripture, who demonstrates a submissive heart under the authority of appropriate leadership, and who is always in relationship with a local fellowship of believers. The obedient disciple understands that all levels of authority are God-ordained and seeks accountability for personal and professional behavior.

An Engaging Citizen
A Grace graduate is a Christian who engages culture, attempting to promote a biblical perspective on life, family, law, justice and mercy, and societal governance. As an engaging citizen, the Grace graduate seeks to understand the role of citizens in the home, in the church, and in society, and as a citizen works to bring Kingdom values to each of those arenas and provide public service to those in need.

A Compassionate Leader
A Grace graduate is a Christian who can lead a team to accomplish a mission or task, exercising the skills to cast and communicate vision, select and train team members, delegate authority and empower and motivate team members, provide accountability structures, evaluate the success of the mission or task, and function as an ethical professional. A compassionate leader follows a biblical model of servant leadership, expressing compassion and care—never threatening or abusing a position of leadership, always encouraging and building up those who are serving or who are being served.

A Global Christian
A Grace graduate is a Christian who understands God’s view of the world and its need for divine instruction and redemption. Grace graduates take personal responsibility for communicating these things to all who will listen. A global Christian graduating from Grace seeks to understand culture and find diverse, relevant, multi-cultural and international communication strategies to accomplish the tasks to which every Christian is called. These communications skills are transferable to all dimensions of life.

An Equipped Professional
A Grace graduate is prepared to enter his or her chosen profession with confidence and competence.

Institutional Goals and Objectives
Three core values shape the goals and objectives of Grace University—academic excellence, life change and world impact. Recognizing that Christian education that leads to the “Student Characteristics” above is a process rooted in the Bible and directed by the Holy Spirit, the University establishes the following goals and objectives. By graduation, students should give evidence of:

1. A comprehensive working knowledge of the Bible, including Bible doctrine;
2. A growing love for Christ and His people;
3. Being a world Christian with a growing awareness of and involvement in God’s worldwide program of redemption;
4. A Christian worldview that integrates General Education studies with biblical truth;
5. An ability to serve Christ effectively;
6. A Christian value-system that is reflected in Christian character, attitudes, decisions and actions;
7. An ability to function at a level of competency within their chosen area of study at their level of preparation (i.e., Certificate, Associate, Bachelor, or Master’s level);
8. A commitment to a lifestyle of life-long spiritual, intellectual, emotional, relational, and physical health.
Philosophy of Christian Education

Grace University is committed to a Christian philosophy of education. This means that every facet of the University program is conditioned and directed by a Christ-centered, biblical perspective. Questions relative to the meaning, purpose, and goals of education are answered in the light of Scripture. The following statements briefly present the University’s Christian philosophy of education.

1. Ultimate reality is found beyond man in the Triune God who created and now sustains all things.
2. Mankind is morally depraved and is dependent upon and answerable to a holy God. Every human has the capacity to know God.
3. The Bible, God’s inerrant, authoritative revelation to man, provides the essence of truth.
4. Disciplined, empirical study in all disciplines is valuable and helps to develop perspective, knowledge, attitude, and skill. It is always wise to examine the presuppositions and world views that influence researchers in the sciences and the creative aspects of the various arts.
5. The objective of Christian Education is to glorify God through salvation, maturation and service.
6. The Bible is the core and integrating factor for the entire curriculum.
7. The teacher and student are both significant in the educative process with the Holy Spirit being the chief source for both.
8. Each faculty member is committed to excellence, theological soundness, and spiritual fervor, no matter under which academic discipline that the instructor teaches.
9. The University is committed to the local church as the primary agency through which God works.
10. The alumni are considered a strategic force within the home, the church, and the world.

This dynamic philosophy of education has been affirmed through 65 years. The University’s current leadership is as deeply convinced today, as were the founding fathers, that the Bible is the only dependable lens through which all knowledge must be viewed in the search for truth. Grace University remains committed to offering an education that is distinctively biblical.

Facilities
Grace University is a compact urban campus in beautiful Omaha, Nebraska. Our campus is located approximately two blocks from the historical downtown business district. The campus covers approximately six city blocks in the historic Dahlman Association neighborhood and is only nine blocks from the Lauritzen Gardens-Omaha’s Botanical Center. The campus is approximately halfway between the Old Market in downtown and the Henry Doorly Zoo. The section “Our Past” in this section of the catalog describes the development of the campus. This urban campus has seen over $11,000,000 in new construction, remodeling and renovation upgrades during the past seven years.

Currently, the campus has 185 dormitory rooms for students within Harder Hall, Rieger Hall, Stanford Hall and Schmidt Hall, modern classrooms of various sizes, the newly remodeled Grewcock Library within the Tschetter Academic Center, learning labs for computer usage and music, and curriculum labs for teacher education and church education, Sukau Chapel, the Dirks Lounge, the Duerksen Dining Commons, administrative and faculty offices, and green space and parking areas. The Jim Classen Gymnasium, with double NCAA approved courts for tournament play and seating for 800, was dedicated in August, 2003. The Donovan Glanzer Strength Training Center is located in the Harold D. Burkholder Center.

The Grewcock Library has a collection of over 50,000 volumes, over 25,000 electronic books, and over 9,000 journals accessible in print or electronically. Student Life

SPIRITUAL ACTIVITIES
Grace University considers the student’s personal spiritual life a high priority. Listed below are some of the opportunities for spiritual growth and development.

Students are encouraged to have a personal devotional life.

Small Groups meet regularly in the residence halls. These groups meet for a time of mutual encouragement, accountability, fun, prayer and Bible study. All resident freshmen are a part of a small group to help the transition to college.

Prayer times are held regularly to intercede for the worldwide spread of the Gospel.

Days of Prayer in Fall and Spring devote entire mornings to worship and prayer. Attendance is required.

Grace LIFE (Life Integration For Excellence), convenes in the Chapel Monday through Thursday for half an hour. This common experience of the Grace family contributes to the development of community and involves such things as announcements, worship, prayer, and a wide variety of presentations from students, faculty, staff, and guests. Attendance is required.

CONFERENCES
The Fall Bible Conference is held during the first semester and features Bible teaching by able communicators of the Word. Classes are cancelled and attendance is required.

The Jared T. Burkholder Conference on Global Engagement is a highlight of the second semester. Missionaries and mission representatives from many organizations working in various parts of the world visit the Grace campus. Students, faculty and staff are challenged to reach the world for Christ. Classes are cancelled and attendance is required.

ORGANIZATIONS
The Student Body Association (SBA), of which every student is a member, is Grace’s student government. The SBA exists to foster spiritual growth and fellowship, promote the welfare of the students, and plan student activities. Its administration is carried out through an executive team elected by the students.

Students are provided leadership opportunities through committees and clubs such as Spiritual Life, Social and Recreation, Banquet, Civic and World Affairs, and the Student Music Association.

Grace World Outreach (GWO) is the student missions organization committed to developing in students God’s heart for the world. All students are members of this organization. Grace LIFE, prayer, financial support of missionaries, and summer missions scholarships are among the major activities of this organization.

Married Students Fellowship (MSF) is sponsored by the University as a ministry to married students. MSF sponsors activities that build and strengthen marriages.

Student Music Association (SMA) is an organization for music majors. SMA promotes camaraderie and mutual encouragement among students who are training for music and music education careers.

Student Education Association (SEAN) is the local chapter of the Nebraska Education Association that promotes camaraderie and mutual encouragement among students who are training for education careers.

PUBLICATIONS
Charis is the yearbook produced under the direction of a student editor. Other students and staff members assist in this publication.

ATHLETICS
Grace University is a participating member in the National Christian College Athletic Association. Grace participates in intercollegiate competition in men’s and women’s basketball, women’s volleyball and men’s soccer. These activities provide physical, moral and spiritual development. The annual Athletic Report is available upon request from the Academic Dean’s Office. Academic requirements are established for all athletes.

RESIDENCE
Housing Requirements
Normally, all students taking 9 or more hours at Grace University and under the age of 21 are required to live on campus in order to foster community and encourage personal growth. On-campus residence is seen as an important part of the total "Grace experience" for traditional age undergraduate college students.

Students living on campus are expected to enroll in at least nine semester hours. In the case of cooperative programs, the expectation is a minimum of nine semester hours between the various campuses.

Exceptions to the Housing Requirements include:
- Students living at home with their parents or legal guardian;
- Married students;
- Students turning 21 years of age before the end of the semester;
- Students taking 8 hours or less of classes;
- Students in a cooperative program taking no classes at Grace University;
- Students whose employment requires off-campus housing;
- Students with dependent children;

**Furnishings**
All dorm rooms are connected to the Grace University network for internet capability. Rooms are furnished with beds, desks, dressers and chairs. Students furnish towels, pillows and bedding. Optional student furnishings may include computers, telephones, floor rugs, mini-refrigerators and/or microwaves.

**Married Student Housing**
The University has a limited number of unfurnished apartments. Married students should inquire at the Business Office regarding University housing, availability, rates, etc.

**SERVICES**

**Advising**
Each student is assigned a faculty advisor who can guide the student through the course selection, course sequencing and program requirement information so that the student can complete his/her program. Each faculty member has received training to advise students about program requirements based on the *University Catalog* during the academic year in which the student begins his/her educational experience and course sequencing based on suggested course sequences listed within the *Faculty Advising Handbook*. The faculty advisor may also provide wisdom and counsel to the student pertaining to career discovery (see below).

The Student Services Dean, Dean of Men, and Dean of Women are responsible for student life in general. They provide special help to students in personal and social matters.

**Grace Career Services**
Career counseling and testing is conducted by the Psychology Department through Grace Career Services. Every student has access to a battery of career assessments (fees may apply). Students are strongly encouraged to use these professional assessments during the first semester of their final year. Students may be encouraged to explore other online assessments as well.

Students will receive additional training regarding resume development and interview skills during several courses within the four-year programs at Grace. These include, but are not limited to, Career Orientation, Senior Integration and Principles of Leadership and Management.

**Professional Counseling**
The University recognizes that during the college years, students may need some professional counseling related to personal and relational aspects of life. The graduate school's Counseling Program provides services for all students, spouses, and children. The student may contact the College of Graduate Studies Office directly (402.449.2844), or the student may request a referral through the Student Development Office. At times, students on University probation may be referred to professional counseling as a component of the restoration process. The University practices all relevant and legal guidelines with respect to confidentiality.

**Placement Office**
The University operates a placement service through Grace Career Services. The University also advises individuals seeking placement to contact other resources such as monster.com, accessomaha.com, careerlink.com, jobleads.org, christianjobs.com and jobsinaflash.org.

**Academic Resource Center (ARC)**
The Academic Resource Center (ARC) is available to provide a variety of academic support services to enhance your educational experience at Grace University. Students may access these services free of charge. Student tutors are trained to provide assistance with specific areas of study as well as special seminars on a variety of topics. The areas of seminar focus include time management, test taking, effective note taking, study skills, effective reading, retaining/recalling information and critical thinking. Math and writing labs are also available.
Part-time Employment
The University maintains a bulletin board of jobs currently available to help students secure employment in the area. On-campus jobs are under the direction of the Dean of Student Services.

Bookstore
Purchases of course texts may be made through the University's vendor online. The link may be found on the homepage of the Grace University website.

Health
Medical care for minor illness is provided through the Student Health Office. More serious cases are referred to specialists or hospitals.

STUDENT HEALTH INSURANCE
Students are urged to have health and accident insurance coverage under a plan through their parents/guardians or through a privately purchased plan. International students are required to hold an insurance policy through a United States based insurance company. Insurance brochures are available through the University Business Office or Health Office.

MOTOR VEHICLE POLICY
All students must register their motor vehicle(s) with Campus Security at the beginning of each semester and must abide by University regulations governing the use of vehicles. Also, in compliance with Nebraska laws, vehicle owners must carry liability insurance and have valid operator licenses.

STANDARDS OF CONDUCT
The University seeks to provide an atmosphere in which the students can fully give themselves to both academic pursuits and the development of Christ-like character. This is best accomplished when all students sense a deep responsibility for the welfare of one another and for the group as a whole.

Students are expected to participate in activities which build moral character. The University also maintains institutional preferences regarding entertainment and conduct. While enrolled in classes, all students are expected to abstain from gambling, possession and use of alcoholic beverages and non-medical drugs, abuse of over-the-counter drugs and the possession and use of tobacco products.

Student attire must be appropriate for Christian testimony. Specific dress and lifestyle standards appear in the current Student Handbook which is given to each student. Individuals may request a copy of the Student Handbook by contacting the Student Development Office or Admissions Office.

Admissions and Registration

ADMISSIONS REQUIREMENTS
Grace University welcomes applications for admission from prospective students who possess the qualifications the University deems necessary for those anticipating Christian ministry careers and marketplace professions.

Grace University selects its students based on information received from the application form, transcripts from school(s) attended, the ACT (American College Testing) results, and two essay questions.

STATEMENT OF NONDISCRIMINATION
Grace University is committed to the principles of Equal Opportunity as defined under federal and state law. It does not discriminate unlawfully on the basis of race, color, national/ethnic origin, gender, age, individual handicap, or veteran status in the recruitment and admission of students, the recruitment and employment of faculty and staff, or the operation of any of its programs and activities.

Christian Character
Candidates for admission must give evidence of a personal relationship with Jesus Christ. To assure some degree of spiritual maturity, normally the University expects that candidates have consistently walked with Christ for at least one year. The lifestyle and relationships of each candidate should reflect this commitment to Christ and reflect a commitment to obeying the mandates and directives found in Scripture.

Candidates for admission must adhere to biblical moral standards, must be committed to God’s will as revealed in Scripture and must, in general, give evidence of commendable Christian character. Applicants sign a statement affirming their willingness to abide by the University’s lifestyle expectations.

Academic Qualifications
Candidates for admission must have graduated from high school or present evidence of having completed equivalent requirements.

The University admits a few applicants as special students who have yet to achieve high school credentials. In such cases the person is not considered a candidate for graduation until high school or its equivalent is completed.

It is expected that students rank in the upper one-half of their graduating classes and have maintained a “C” average or above. Special action of the Admissions Committee is required for students not meeting these requirements.

Students with an ACT English score of less than 19 may be required to take additional English coursework.

Students planning to enroll in the Teacher Education Program should note carefully the special admissions requirements located in the program description.

Pre-entrance Examinations

Applicants for admission are required to submit results from either the ACT or the SAT. Exemption is granted to students over age 25 or students who have completed at least 12 hours of previous college credit. For those included in the exemption, a writing sample will be required for English course placement purposes. For more information regarding the writing sample, contact the Admissions Office.

Information regarding test registration, test date schedule, and location of test centers may be obtained from Grace’s Admissions Office or by visiting the following websites:

APPLICATION PROCESS

As a faith-based educational institution, Grace University articulates a statement of faith as part of its institutional mission. Guidelines for student expectations can be found in the University Catalog. Applicants are encouraged to review Grace University’s confessional statements. A full confessional statement for the University is also provided in the University Catalog.

In order to qualify for admission the following forms must be obtained and filled out completely:

• Application
• $35 application fee ($20 application fee online)
• High school transcripts
• College transcripts (if applicable)
• ACT or SAT test results
• Writing sample (for English placement purposes only). The writing sample is waived for students who have achieved at least a 19 on the ACT English test or at least a 450 on the SAT Critical Reading test.

These forms can be obtained by writing the Admissions Office, Grace University, 1311 South Ninth Street, Omaha, Nebraska, 68108-3629, by calling 1-800-383-1422 or (402) 449-2831, or by visiting the university website at www.GraceUniversity.edu.

Tuition Deposit

After applicants receive official word of acceptance, the next step is to submit a $150 non-refundable tuition deposit to confirm their intention to enroll. This deposit is credited to the student’s account at registration.

Re-admission

Students who enroll in the University, but then drop out for two or more semesters must obtain and complete a Re-admit Application from the Admissions Office. The student is also expected to submit a $35 application fee. Students wishing to re-enroll after an absence of three or more years must complete a new set of application forms.

Grace University will re-admit veterans who leave the institution in order to perform military service and grant the same academic status as the last semester of enrollment. Students must give advance notice of their deployment or, if no advance notice is given, must submit proof of service. This policy will not apply to veterans with a length of absence from the institution of six years or more, to veterans receiving a dishonorable or bad conduct discharge, or to those who are sentenced in a court-martial.

Transfer Students

Transfer students applying for admission from another college must complete all forms and deposits required of first time applicants. In addition, these candidates must submit an official transcript from the college(s) attended. Transcripts submitted to Grace University for admission or credit transfer become the property of Grace University and cannot be returned to the student or forwarded to other institutions.

Limited Enrollment Applicants

For admission purposes the following students are considered limited enrollment applicants by the University:
• Those enrolling in less than six credit hours total.
• Those auditing a class.

Students, after verifying with the Admissions Office that they are limited enrollment applicants, must complete the following requirements:
• Limited Enrollment Application
• $35 Application fee
• High School Transcript

This form is available in the Admissions Office. If at any time the student wishes to enroll in a University Degree Program, the student must follow the normal admission procedure and adhere to Grace’s standards for traditional undergraduate students. Federal financial aid is not available to limited enrollment students.

HIGH SCHOOL EARLY ENTRY PROGRAM
Grace University provides a program designed just for high school seniors. Through this program, students can experience the culture of college life and earn valuable college credit in the process. To participate in the Early Entry Program, a student must:
• Be a high school senior (includes both the summer before and the summer after the school year)
• Have a cumulative GPA of at least 2.5 (up to last completed semester)
• Have an ACT composite score of at least 20 or an SAT total score of 940
• Have an ACT English score of 19 or an SAT Critical Reading score of 450

Interested students must submit the following documents for consideration:
• Limited Enrollment Application (available online or from the Admissions Office)

Program specifics:
• High school seniors meeting the above requirements are eligible to take up to 12 credit hours through the Early Entry Program.

• The cost of books for each course and transcript fees are not included in the discounted tuition rate.
• Course registration will begin when all documents have been received and full payment for course fees has been made.
• Credits completed are fully transferable.

Information about courses available through the Early Entry Program is available from the Admissions Office. Students wishing to enroll full-time at Grace University after high school will be required to complete the normal application process.

Admissions Requirements for Applicants Whose First Language Is Not English
• Any applicant whose first language is not English is required to take the TOEFL, no matter what age the applicant is or his/her residency status.
• Applicants who have lived in an English-speaking country for several years will not be considered exempt from the above requirements if English is not their first language.

International Students
In order for an international, non-resident alien (defined as any person holding a foreign passport) to enroll at a school in the United States, that person must obtain an F-1 (student) visa. The F-1 visa cannot be obtained without the form I-20 Certificate of Eligibility, which is issued by the Registrar's Office. There are four major requirements that the applicant must meet before the Registrar's Office can issue an I-20.
1. Proof of ability to pay. The student must demonstrate that he/she has sufficient resources to pay for tuition and living costs. This can be in the form of personal funds (as shown on a bank account record), school funding (scholarships, on-campus employment), sponsorship (organization, relative, or friend). See more detailed info below.
2. English language proficiency. This is normally demonstrated through acceptable scores on the TOEFL test, which is one of the criteria for admission to Grace University. Minimum scores are as follows: Internet Based (iBT) = 81, Computer Based (CBT) = 217, Paper-based (PBT) = 550. Grace University's TOEFL code is 6248. The Test of Written English is not required (except for students studying nursing with Clarkson). Transferring international students (who are already studying at another US institution) may show English language proficiency by completing an English Composition I course from an accredited college or university with a grade of "C" or higher.
3. Admission to a Grace University degree program. The student must be admitted into a degree program at Grace University in order to process the I-20. This includes the submission of an application for admission, payment of the application fee, and submission of all academic transcripts with English translation. Transferring international students must also show that they are currently in status with no pending INS issues and do not owe money to any American
college or university. This information is provided using the "International Student Transfer Clearance Form," which may be obtained from the Registrar's Office.

4. **Proof of Health Insurance coverage.** The student must submit proof of health insurance coverage. Although we do not endorse particular insurance companies, the following companies offer health insurance for international students.
   - International Student Organization, [www.isoa.org](http://www.isoa.org)
   - Compass Benefit Group, [www.compassbenefit.com/international_student_health_insurance.html](http://www.compassbenefit.com/international_student_health_insurance.html)

For further information on international student admissions, contact the Admissions Office or the Registrar's Office.

**REGISTRATION**

The Registrar furnishes complete instructions concerning class enrollment procedures. Though the course registration process is now fully available online, students enrolling for the first time must contact their advisor before beginning the registration procedure. A standardized health form must be submitted to the Health Office before a student can finalize registration.

Students are considered “registered” only after the payment of all charges are made or other financial arrangements are approved.

After the beginning of the semester, students may change their schedules or programs only after securing the permission of their advisors and the Registrar. Drop/Add schedules are published in the University calendar.

**ENTRANCE EXAMINATIONS**

During the fall semester of each year, the University administers a series of examinations to students, including: Vocational Interest, Mental Ability, Bible Content, English Grammar and Usage, and Computer Proficiency.

Students wishing to enroll at Grace University who have not completed high school should apply for the General Educational Development (GED) test through their local high school, community college or state board of education.

**ADVANCED STANDING AND CREDIT TRANSFER**

Students who have completed work in another college or university may apply for advanced standing upon the presentation of an official transcript from the institution previously attended. Work done is evaluated on the following basis:

- Full credit is granted for courses completed at an accredited institution, provided such courses are applicable to the programs at Grace University and are completed with a grade of “C” or above.
- Credits from non-accredited institutions are evaluated on an individual basis. Criteria for acceptance may include an evaluation of the institution, course faculty and course syllabus. Such credits are typically counted towards a program when a student has completed 30 credits at a “C” average or better.
- Credit for educational experiences in the armed services is based upon suggested credit recommendations in *A Guide to the Evaluation of Educational Experiences in the Armed Services* or on the basis of transcripts from service schools, (e.g., Community College of the Air Force). Such credit transfer must meet all other requirements for credit transfer.

Students who have graduated from Christian high schools may be excused from equivalent 100 series Bible subjects, provided the grades were “B” or above and they secure an acceptable score on the Bible Content test. While students receive no actual college credit for these subjects, it enables them to concentrate on more advanced subjects. Permission is secured from the Academic Vice-President and the chair of the department in which the student is enrolled.

**ADVANCED PLACEMENT EXAMS (AP)**

Grace University participates in the Advanced Placement Program of the College Entrance Examination Board. See additional information about AP in the Academic Policies Section.

**COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)**

The College Level Examination Program (CLEP) is used to establish credit in certain college courses. (A total of 15 hours of credit can be earned through examinations such as AP, CLEP, and Challenge Exams.) Please see additional information about CLEP in the Academic Policies Section.

**ACT PROFICIENCY EXAMINATION PROGRAM (ACT-PEP)**

Grace University is a participating institution in the ACT Proficiency Examination Program (ACT-PEP), making it possible for individuals to obtain credit in a limited number of subjects on the basis of test scores. Providing the test score is “B” or above, the University allows three hours of credit as approved by the Academic Dean. Registration packets are available from the Academic Vice-President.
Financial Information
Grace University is a private, not-for-profit institution of higher education that is tuition driven. While the University receives gifts from churches, corporations, friends, and alumni to help offset the total cost of education, the primary revenue to operate the daily operations of the University comes from the tuition and fees charged to students. The University seeks to keep tuition rates and fees as low as possible without jeopardizing the fiscal stability of the institution or the quality of instruction. Just as the expenses for private Christian college education may cause students to exercise faith in the Lord to provide the necessary funds, these rates also cause University personnel to exercise faith in the Lord as well!

Listed below are the established tuition and fees for undergraduate education at Grace University. This financial information is for the 2010-2011 academic year.

The University anticipates that these obligations be funded through a combination of student and family resources, plus various scholarships, grants, aid, or loans. It is the student’s responsibility to apply through the University Financial Aid Office in advance if he/she anticipates a need for scholarships, grants, aid or loans so that funds are approved prior to the start of each semester. Late fees are charged on the student’s entire account balance.

Grace University will not impose any penalty on any student because of the student’s inability to meet his or her financial obligations to the school as a result of the delayed disbursement of Title IV loan proceeds due to compliance with statutory and regulatory requirements applicable to the Title IV programs or delays attributable to the university.

A student not fulfilling their financial obligation may be denied continuation at the University and may not receive a transcript, degree, diploma or participate in graduation exercises.

All University fees, policies, and programs are subject to change. Notice of any change will be communicated through normal campus communication systems. Fees are established on a yearly basis; in the unlikely event of a fee change during the academic year, registered students will be notified in writing prior to the implementation of any rate change.

If a recipient of Title IV assistance withdraws during a period of enrollment in which the recipient began attendance, Grace University must calculate the percentage and amount of Title IV assistance the student did not earn and return those funds to the Title IV programs. If the day the student withdrew occurs on or before the student completed 60 percent of the period of enrollment for which the assistance was awarded, the amount of aid earned by the recipient is calculated by determining the percentage of the enrollment period completed multiplied by the total amount of Title IV aid that was dispersed (and that could have been disbursed) for the period of enrollment as of the day the student withdrew. If the day the student withdrew occurs after the student has completed 60 percent of the period of enrollment, the recipient has earned 100 percent. The percentage and amount not earned is the complement of the percentage of Title IV aid earned multiplied by the total amount of Title IV aid that was disbursed (and that could have been disbursed) to the student, or on the student’s behalf, for the period of enrollment, as of the day the student withdrew.

The University will refund all Title IV Student Financial Aid (SFA) credit balances within 14 calendar days of the start of the semester or within 14 calendar days of the occurrence of the credit balance, whichever date is later. The University will refund any credit balance requested by the student within 14 calendar days after the student’s request. Full withdrawals of full-time traditional undergraduate students are subject to an administrative fee of $100.

For more details or a copy of the federal refund policies, contact the Financial Aid Office.

SCHOLARSHIPS AND GRANTS

Grace University offers a wide range of scholarships and grants. Detailed information regarding financial aid is available from the University’s Financial Aid Office at (402) 449-2810 or on the web at the Grace University Financial Aid page.

Scholarship or grant applicants must apply for admission by March 1 for the following fall semester. Applications received after March 1 are considered on a first-come basis. Grants and scholarships are subject to funds allocated.

A student must be full-time (12 or more hours enrollment at Grace University) per semester to receive a Grace University scholarship or grant. Non-University grants and scholarships may also be received. Decisions of the committee are final. **Federal Supplemental Educational Opportunity Grants**
A Federal Supplemental Educational Opportunity Grant (FSEOG) is for undergraduates with exceptional financial need – that is, students with the lowest Expected Family Contributions (EFCs) – and gives priority to students who receive Federal Pell Grants. An FSEOG doesn’t have to be paid back.

**Federal Work-Study**
The Federal Work-Study Program provides jobs for undergraduate and graduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to your course of study.

**Teach Grants**
Teach grants are awarded to students who are pursuing teaching as a profession. Applicants must sign an agreement to serve, be enrolled in a TEACH eligible program and teach for 4 out of 8 years in a high need field in a low income school. More information is available at http://studentaid.ed.gov/PORTALSWebApp/students/english/TEACH.jsp

**TUITION PAYMENT PLAN**
The University offers a Tuition Payment Plan for the “out of pocket” portion of the student’s bill. The Plan is administered by an outside firm, Tuition Management Systems, Inc. (TMS), Warwick, RI. Every registered student and his/her family will be contacted directly by TMS and offered a Tuition Payment Plan. Students and their families are encouraged to take advantage of this opportunity.

**WISDOM IN FINANCIAL PLANNING FOR EDUCATION**
Students anticipating entering vocational ministry professions need to think carefully about how to finance their education. Obviously those who plan to enter vocational ministry can anticipate salaries that are typically lower than many other vocations. Wise students should be aware of burying themselves under too much debt. Students should always be alert to scholarship opportunities. Other options for students may be to take classes at a slower rate or consider seeking financial assistance from his/her local church. It is worth noting that some mission and/or support-based organizations require that employees/appointees be debt-free.

**SATISFACTORY PROGRESS REQUIREMENTS FOR FINANCIAL AID**
The student must maintain satisfactory progress to maintain eligibility for Title IV financial aid. Students on scholastic probation are eligible for Title IV financial aid for the ensuing semester. Refer to the Scholastic Probation and Academic Performance page for details related to GPA minimums.

Students on scholastic probation are eligible for Title IV financial aid for the ensuing semester. However, the GPA must be raised to the required level during the probationary semester if the student is to maintain eligibility for Title IV financial aid. The Academic Appeals Committee may waive these requirements under extenuating circumstances. Detailed policy information is available from the FA Office.

Academic Policies

SCHOLASTIC ACCREDITATION
Grace University is an institution of higher education offering undergraduate and graduate programs leading to several Associate, Baccalaureate, and Master’s degrees. Grace College of the Bible is the academic unit within Grace University that offers Associate and Baccalaureate degrees. Grace College of Graduate Studies is the academic unit that offers Master’s degrees. Grace College of Extended Education provides adult education training opportunities and alternative delivery systems for institutional programs.

The University is accredited by the Higher Learning Commission and a member of the North Central Association of Colleges and Schools and the by Association for Biblical Higher Education. Refer to address information under the section titled “Accreditation and Academic Standing.” Regional and professional accreditation assures students and the public that the University has clearly defined goals, and that these goals, to a reasonable degree, are accomplished in student lives. Graduate schools and evangelical seminaries generally recognize the Bachelor’s degree earned at Grace. In addition, universities and colleges normally transfer credits for equivalent subjects when students change to their fields of study.

SERVANT LEADERSHIP TRAINING
Grace University recognizes that as a part of academic excellence, students need to develop practical skills for effective service. This is best accomplished through “hands-on” ministry.

Weekly Servant Leadership Training provides students with field experience in a variety of ministries. It provides opportunities for students to apply what they have learned in the classroom in an actual ministry situation. This should result in personal growth and the development of ministry skills—both of which are essential in preparing for effective service, no matter what vocational choice is made by the student.

The general objectives of Servant Leadership Training for students are:
1. Each student should become involved in ministries of evangelism and edification;
2. Each student should discover, develop and use his/her spiritual gifts;
3. Each student should demonstrate personal responsibility and accountability in ministry; and
4. Each student should develop character traits and ministry skills essential for effective service.

Servant Leadership Training is an integral part of the total educational program of the University; therefore it is listed along with all other courses students are expected to complete. All undergraduate students must successfully complete as many semesters of Servant Leadership Training as would be required in their programs of study. For example, students enrolled in four-year degree programs will complete a minimum of eight semesters of Servant Leadership Training; associate degree students will complete a minimum of four semesters of Servant Leadership Training. EXCEL students, please refer to the section of the catalog titled “Programs” and look under the EXCEL Degree Completion Program for specific requirements regarding Servant Leadership Training.

All part-time students should complete one unit of Servant Leadership Training for every fifteen (15) academic credits earned at the University. Students enrolled in Cooperative Programs at Grace University must register for regular, weekly Servant Leadership Training.

Students must participate in Servant Leadership Training in the semester the student graduates. If a student plans to graduate in the summer, he/she should complete the Servant Leadership Training during the spring semester just prior to graduation or make special arrangements to complete Servant Leadership Training requirements during the summer.

Freshmen and transfer students begin their Servant Leadership Training with an orientation and observation session, as well as a SLT Fair their first semester. The fair provides opportunities for the students to speak directly with representatives from churches and Christian organizations regarding possible ministries. Freshmen will be involved in observing upperclassmen in their SLTs during the first semester along with choosing their own SLT assignment. Transfer students must complete Servant Leadership training units proportionate to the hours necessary to complete their degree requirements.

Students have many opportunities to participate in Servant Leadership Training at local churches, para-church and community service organizations. Students submit weekly accountability reports and permanent records are kept of each student’s participation.

The faculty’s Servant Leadership Training Committee evaluates student performance near the close of each semester. Students must successfully complete each semester of Servant Leadership Training to be eligible for graduation. Students are reviewed for graduation by the Director and the Servant Leadership Training Committee. The evaluation takes into consideration student performance, the weekly SLT reports, and evaluations submitted by ministry supervisors each semester.

The director of Servant Leadership Training is available for encouragement, counsel, supervision, and leadership to assist students in gaining competence in specific areas of ministry.

PROGRAM OFFERINGS

This University Catalog provides the academic requirements established for freshmen students completing degree programs over the next four-year period. This catalog serves as the 2010-2011 Catalog of Record. Should degree requirements change in future years, the requirements of this Catalog provide the basis for graduation requirements. Should a student withdraw from continuous study at Grace, and should the student desire to resume his/her program at a future date, the program requirements in the University Catalog at the time of readmission will serve as the Catalog of Record. Changing programs during one’s studies at Grace University also is sufficient reason to change the Catalog of Record to the current year’s Catalog.

Information regarding tuition and fees in this Catalog only represents the rates for the stated academic year. These rates are reviewed and adjusted on a regular basis. The University makes no promise that current financial policy information will remain constant during the next four years.

SEMESTER SYSTEM

Grace University offers academic credit on a semester system. One semester hour of academic credit represents clock time instruction of one fifty-minute class period per week for fifteen weeks plus a final examination week. To meet faculty expectations, the student will need one and a half to two hours of preparation time outside of class for each fifty-minute class period.

The University reserves the right to configure instruction time in formats different than traditional fifty-minute sessions. Thus, a three-credit course may meet on a once per week basis, a twice per week basis, or a three times a week basis based on the University’s plan for distributing courses. Computation of the academic schedule is based on the University’s plan for distributing courses. Computation of the academic schedule is based on computation of instructional minutes per each semester hour of academic credit.

Each course is defined by the number of semester credits granted for completion of the course. Most courses carry two or three semester credit hours. Information regarding the Course numbering System and Course Abbreviations is available. Course descriptions and credit hours assigned to each course are designated in the section of the Catalog for Course Descriptions.
In addition to the traditional Fall and Spring semesters, the University offers courses during a two-week Winter Session in early January, and in three distinct two-week Summer Sessions in May and June.

**DISCLAIMER OF CONTRACTUAL OBLIGATION**

While course offerings are scheduled based on program requirements listed within the *University Catalog*, the University reserves the right to reschedule and/or cancel courses based on factors such as course enrollment size. Suggested course schedules available through the Registrar’s office should be viewed as exactly that—suggested; they should not be viewed as a binding contract on the part of the University. In the unusual event that the University exercises its right to cancel a required course, the Academic Dean, in consultation with the Department Chair and the Registrar, may substitute a relevant course work to meet program requirements.

**ACADEMIC HONESTY AND INTEGRITY**

As an institution of higher learning that reflects Christian standards for honor, scholarship, and character, Grace University maintains honesty and integrity in all academic work as a high virtue. A student who cheats on quizzes or tests, who submits work other than his/her own, who falsifies course documents or reports, who fails to credit the research of other scholars within his/her work, or who lies about one of the above stated ethical violations is subject to penalty. **Plagiarism** is the theft of any part of another person’s ideas, writings, or research contained in print or electronic materials; failure to appropriately cite the works of others will not be tolerated.

While some institutions mandate immediate dismissal when the honor code is broken, a Grace University faculty member will “zero” any single work that does not reflect academic honesty and integrity based on sound evidence or testimony and will require the student to resubmit the assignment as a course requirement without a grade. In flagrant situations, a faculty member has the right to dismiss the student from the course. A repeat offender within the academic community is subject to a range of penalties including, but not limited to, academic probation, dismissal from an academic program, academic suspension, and/or dismissal from the University by action of the Academic Dean.

**INSTITUTIONAL COMMUNICATIONS AND THE CAMPUS NETWORK**

Grace University’s Web and Network systems are set up to handle all e-mail and educational needs for our students. Students have access to records, financial status, institutional announcements and their e-mail through the University portal so it is imperative that they monitor their e-mail and records on a regular basis—daily when it comes to e-mail. The institution views its e-mail system as the primary method of communicating with all students, faculty and staff. All communication from the records office, business office, administration and faculty which does not come by regular post will be done through a student’s Grace e-mail account.

**GRADING SYSTEM**

A student may repeat any course once in an attempt to improve a grade of C or below. While both grades will appear on the student’s transcript, only the better grade will be used in computing the grade point average. Each repeated course will be counted only once in calculating credit hours required for graduation. A failed classroom course may not be repeated for a grade through independent study or other means.

**Transfer of Credit**

The University follows the general practices established in the Higher Education Transfer Alliance (HETA) established by the Council for Higher Education Accreditation (CHEA). Grace University normally accepts transfer credit from accredited institutions when the grade is “C” or better, the course fits into the student’s program of study, and no other institutional policies are violated.

**Grade Point System**

A student’s academic standing is computed by the numerical value assigned to each course grade. For example, every credit hour of “A” has the value of four points; every credit hour of “B” has a value of three points, etcetera. The total grade points earned, divided by the number of credit hours attempted, gives the grade point average. Graduation requirements and
scholastic honors are determined on this basis. Subjects graded on a Pass/Fail basis are not included in the student’s grade point average. The Registrar computes the official GPA for each student each semester and cumulatively for his/her education at Grace.

**Dropping a Course**
A student may drop a course prior to the first day of class with no grade recorded. After the first day of class he/she receives a grade of “W” in any course dropped. Courses may not be dropped after the “Last Day to Drop Courses” posted in the Academic Calendar.

**Pass/Fail Grades**
Pass/Fail grades, not used in calculating grade-point averages, are given in physical education classes (except for Introduction to Health & Wellness), music ensembles, and Challenge Examinations. If a student fails a Pass/Fail course, it is recorded as a “U”. If he/she withdraws while doing unacceptable work, the grade is recorded as a “WU”.

**Incomplete Grades**
Any student wishing to receive a temporary grade of “Incomplete” in a class is required to submit a “Request of Incomplete” form to the Registrar’s Office, with the instructor’s signature, before the last day of the class. Incompletes may be granted for a period of up to one month, during which time a grade of “I” will be assigned. It is the student’s responsibility to file all paperwork, acquire the instructor’s signature prior to the last day of the class, and submit the form to the Registrar’s Office, and pursue the completion of the course work. If the work is not completed, the “I” automatically becomes an “F” unless an alternate grade is indicated by the instructor on the form. There is a $25.00 fee for each “Request for Incomplete” form submitted.

**Final Grades**
All final grades are available for student viewing on IQ Web as soon as they are posted. Grades are considered final two weeks after they have been posted by the instructor. Any changes after that date require special permission from the Academic Dean.

**Withdrawal from College**
If a student wishes to withdraw from college during a semester, the student must consult with the Dean of Men or Women and submit a withdrawal form to the Registrar’s Office, complete all necessary paperwork, participate in an exit interview with the Student Development Office, and finalize all financial arrangements with the Business Office and with the Financial Aid Office. Refer to “Dropping a Course” for implications about final grades. Refund policies are described in the Financial Information section of the catalog.

**DISPUTED GRADE POLICY**
If a student believes a grade is incorrectly placed on the student’s record, or a student disputes the validity of a grade, the student must file a “Disputed Grade Request” with the Registrar within two weeks of the grade being posted. The Registrar will forward the request to the specific faculty member for resolution. The faculty member who submitted the grade being disputed will review and sign off on any changes to the original submission within 30 days of the submission of the “Disputed Grade Request.”

If no resolution occurs between the faculty member and the student regarding a disputed grade, an appeal may be heard by the dean of the college in accordance with appeal policy. Any and all appeals regarding grades must be completed within seven days of the faculty member submitting his/her response to the “Disputed Grade Request.” No grade appeal will be heard without a student first using the “Disputed Grade Request” policy. Decisions of the dean are final.

An “incomplete” grade changing to an “F” after the designated time for correction cannot be disputed using the “Disputed Grade Request” because the incomplete grade paperwork is a separate grade process. If a faculty member has failed to submit an appropriate grade within the allocated time to replace an “incomplete,” the Registrar may make those corrections to the records. The Registrar need not make corrections beyond 30 days past the allocated time.

If a “Disputed Grade Request” is not filed according to this policy, no administrative action can be taken to change a student record by the student, faculty member, or administration.

**SCHOLASTIC PROBATION**
A student’s academic standing is determined by his or her grade point average. When a student’s grade point average drops below that specified minimum cumulative grade point average, he/she is placed on scholastic probation and may remain in school only by special permission of the Academic Review Committee.

In order to create an environment of academic responsibility and support, the following standards, classifications and requirements related to academic progress, probation and student accountability are utilized.

After the first semester, their status would be reevaluated by the Academic Review Committee.

V.A. benefits are generally withheld when a veteran is placed on scholastic probation. The Title IV benefits are withheld according to the guidelines presented under the Title IV Financial Aid for Undergraduates information.

CLASSIFICATION OF STUDENTS
At the beginning of each school year the University classifies students on the basis of credits and grade points earned or transferred. These classifications are as follows:

For Students in a Bachelor Degree Program
Freshman 0-24 Credits No Minimum
Sophomore 25-55 Credits No Minimum
Junior 56-92 Credits 100 Minimum
Senior Over 92 Credits 180 Minimum

For Students in an Associate Degree Program
Freshman 0-24 Credits No Minimum
Sophomore 25-55 Credits 40 Minimum
Senior Over 55 Credits 100 Minimum

If credits and grade points do not fall within the same division, the lower of the two determines the classification. Depending on the academic program in which they are enrolled, students may qualify as seniors who do not intend to be graduated within that academic year. When this occurs, the student is classified as sophomore or junior.

SCHOLASTIC HONORS
Dean's List
At the end of each semester the Academic Dean posts the names of all full-time students who during the previous fall or spring semester earned a grade point average of at least 3.50 and completed a minimum of 12 semester hours with no grade below a “C.”

**Delta Epsilon Chi**

The faculty selects a limited number of seniors for membership in Delta Epsilon Chi, the honor society sponsored by the Association for Biblical Higher Education. To be eligible, a senior must have earned a grade point average of 3.3 or higher and manifested Christian character and leadership ability.

**Graduation Honors**

The University awards graduation honors to undergraduate students who have earned a minimum of 62 semester credit hours at Grace University and who have achieved cumulative grade point averages according to the following chart.

**Who's Who Among Students in American Universities and Colleges**

Each year the faculty and administration select members from the senior class for membership in Who’s Who Among Students in American Universities and Colleges. Criteria used are scholarship, leadership, Christian character and promise of future usefulness. A certificate of recognition is awarded by the organization and presented by the University. A written description also appears in the annual publication of the organization.

**Donald J. Tschetter Servant Leadership Award**

Each year the faculty selects a male and a female from the senior class to receive the Donald J. Tschetter Servant Leadership Award. This is the highest honor that any Grace student can receive. Criteria for this award are well-balanced Christian character, scholarship, and spiritual leadership that best embodies and portrays the ideals of Grace University.

**RECORDS RETENTION AND TRANSCRIPTS**

The Registrar’s Office retains a variety of records pertinent to the academic progress of students. These records are available to school officials who have legitimate educational interest. The University retains for one year documents received in the Admissions Office for those who apply but do not enroll. For students who do enroll, the University retains relevant admission documents, including application forms, high school transcripts, and transcripts from other schools, for five years beyond the date of last attendance at Grace. Records of academic achievement at Grace University are retained permanently. The Family Educational Rights and Privacy Act of 1974 governs students’ rights of privacy and access to their educational records. Students have the right to inspect their files and all materials therein, except those items specifically waived by the student. Students wishing to view their files must make an appointment with the Registrar.

Grace University students and alumni are entitled to receive a reasonable number of copies of their academic transcripts reflecting their completed course work. Upon the written request of the student, with signature and appropriate fee, the Registrar’s Office will issue an official transcript to appropriate institutions, individuals, or agencies. Transcripts will not be issued for students who have financial obligations with the University.

**PRIVACY OF STUDENT INFORMATION**

Grace University Designates the following student information as Directory Information: name, address, phone number, e-mail address, date of birth, full-time/half-time status, major fields of study, dates of attendance, degrees/awards and honors received, admission/enrollment status, classification, athletic information, and photograph. The University may disclose any of these items without prior written consent, unless the student notifies the Registrar in writing to the contrary by the end of the first week of the respective semester. Unless a student has officially filed a written request restricting his or her information by this time, aspects of the student’s Directory information may be included in appropriate University or Campus directories, publications, and released by school officials in response to inquiries concerning individual students. Because the printed campus directory is published only once each semester, names and/or other information will not be removed until the end of that semester. A student must be enrolled at Grace University in order to modify his or her restriction of directory information.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights include:

- The right to inspect and review the student’s education records within 45 days of the day the University receiving a request for access.
- The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.
- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
• The right to file a complaint with the U.S. Department of Education concerning alleged failures by Grace University to comply with the requirements of FERPA.

If you have more questions about your rights as a student, please see the Registrar.

AUDITING

In some cases students may wish to enroll in a course for informational purposes only. Although auditors are required to attend classes and come under the same general regulations as other students, they may or may not be required to do the assignments and/or to take the examinations. Auditors should seek clarification on expectations from the faculty of record. No credit is given for courses audited. Since attendance is the basic requirement, when absences in an audited course are in excess of three times the number of class sessions per week, the student forfeits the right to have the class noted on the transcript. No appeals are permitted. Courses involving active participation, such as physical education classes and music ensembles, may not be audited. All auditors must have the approval of the Academic Dean. The fee is non-refundable.

DIRECTED STUDIES

For a variety of reasons, students may want to pursue areas of study that are not found in the regular schedule of classes. The area of study must be approved by the Division Chair and the professor who directs the study. The student and professor will meet regularly throughout the semester. Students will do assignments appropriate to the area of study and present their findings in a scholarly fashion appropriate to the area of investigation/study.

PRIVATE TUTORSHIP

In unusual circumstances, a student may desire to take a course at a different time and/or from a different instructor than is currently offered. It is possible to arrange to take this course by private tutorship, but prior approval is required from the instructor and the Academic Dean. A special fee is charged for a private tutorship in addition to regular tuition.

ADVANCED PLACEMENT EXAMINATIONS

Grace University participates in the Advanced Placement Program of the College Entrance Examination Board. Credit may be awarded to students who perform satisfactorily in certain college level courses in secondary school and who receive a score of “3” or above on the Advanced Placement Examinations. The amount of credit (if variable) and where the credit fits in a respective student’s program requirements will be determined by the Registrar. A maximum of 15 hours of exam-based credit can be earned through examinations such as AP, CLEP, and Challenge Examinations. Credit can only be offered in fields of study that are equivalent to those offered or approved by the University. The University follows the ACE credit recommendations as listed elsewhere in this catalog. Credit earned by AP examination is not counted towards residency requirements for graduation.

ACT PROFICIENCY EXAMINATION PROGRAM (ACT-PEP)

Grace University is a participating institution in the ACT Proficiency Examination Program (ACT-PEP), making it possible for individuals to obtain credit in a limited number of subjects on the basis of test scores. Providing the test score is “B” or above, the University allows three hours of credit as approved by the Academic Dean. Registration packets are available from the Academic Dean.

CLEP EXAMINATIONS

The College Level Examination Program (CLEP) is used to establish credit in certain college courses. A total of 15 hours of exam-based credit can be earned through examinations such as AP, CLEP subject examinations, and Challenge Exams; however no credit is allowed for CLEP general exams. Credit can only be offered in fields of study that are equivalent to those offered or approved by the University. CLEP exams approved by the University, minimum raw score requirements for credit, and credit hours approved per course are listed elsewhere in this catalog. Credit earned by CLEP examination is not counted towards residency requirements for graduation. If the course has been taken by audit, or if the student has already completed one semester of a year-long course sequence such as English or History, credit is not given by CLEP examination. Students are assessed a CLEP Exam Transcript Posting Fee. Fees for testing materials are assessed to all students taking CLEP examinations. Fees are listed in the Financial Information section of this catalog. The University code number for the CLEP examination report is 6248.

CHALLENGE EXAMS

An undergraduate student may choose to test out of a course required in the current Grace University catalog even where no CLEP examination is available. A maximum of 15 hours of exam-based credit can be earned through examinations such as AP, CLEP, and Challenge Exams. While Challenge Exams reflect the equivalent knowledge and skills of a student who would receive a “C” grade or above in the classroom, exams will be graded on a pass/fail basis. Transcripts will identify all credits earned by Challenge Exam. Procedures for requesting a Challenge Exam are available in the Academic Office. A testing fee is assessed to all students taking Challenge Exams. Students are assessed a fee for credit that is allowed by examination.

INDEPENDENT STUDY
In an Independent Study, students are required to complete a variety of assignments. Course materials (except for textbooks or videos) are available on-line and all assignments are submitted on-line for grading. Course requirements and grading standards for I-Studies courses demonstrate approximate equivalence to traditional courses offered on campus. A student may accumulate a maximum of 21 credit hours of Independent Study coursework. All I-Studies course work required for graduation must be completed by April 15 prior to graduation in order to insure appropriate posting by the Registrar. Duration of a course is one semester for traditional or full-time students with financial aid. Registration periods are not restricted to the traditional academic calendar; students can enroll at any time of the year provided financial aid is not required. Enrollment in I-Studies courses must be approved by the Academic Dean.

CLASS ATTENDANCE
Class attendance is of primary importance to academic achievement. Students should keep absences to a minimum. Class attendance is especially critical for those who have a grade point average of 2.00 or less. The University’s class absence policy is as follows:

1. The University’s expectation is that students attend all classes.
2. Absences impact the quality of learning.
3. The maximum number of absences without penalty for any reason (e.g., sickness, University-sponsored activities) shall not exceed twice the number of times a class meets per week. If a student exceeds the maximum number of absences, the following penalties are applied:
   - One Excess Absence = Reduction of one letter on final grade.
   - Two Excess Absences = Reduction of two letters on final grade.
   - Three Excess Absences = Reduction of three letters on final grade.

   The professor may make exceptions, but only under highly unusual circumstances (e.g., several absences because of University-sponsored activities followed by injury in a car accident or hospitalization). If absences occur on days when tests and other personal student assignments are scheduled, the work may be made up only if the professor deems the absence excused. In any event, the student is responsible for all work due and for all class work missed. The instructor is under no obligation to give private tutoring to students who have taken absences. Intensives, EXCEL, and Graduate courses have their own attendance requirements.

ACADEMIC LOAD AND EMPLOYMENT
The recommended academic load for each semester is indicated by the number of semester credit hours suggested in the various programs; usually this is 15-17 credit hours. The University has defined a minimal full-time load as 12 semester credit hours. Students may enroll in more than 18 semester credit hours only if their grade point average the previous semester was 2.8 or over, and if they receive special permission from the Academic Dean.

All students should maintain a proper balance between academic load and employment. Returning students enrolled in 16 semester credit hours are encouraged to limit employment to 28 hours per week. When increased responsibility makes additional work necessary, students should adjust their academic loads accordingly.

ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES
In accordance with our commitment to academic excellence, participation in University-sponsored, extra-curricular activities (inter-collegiate athletics, traveling music groups, student government, etc.) is restricted to students who maintain a minimum 2.00 cumulative GPA or earned a 2.00 GPA during the previous semester. Eligibility requirements for each extra-curricular activity are defined in the Student Handbook.

MUSIC ELECTIVE LIMITATIONS
A maximum of four (4) credit hours of applied music and/or four (4) credit hours of ensemble may be applied towards graduation requirements in any of the non-music programs.

GRADUATION REQUIREMENTS
Students who anticipate completing the requirements for an undergraduate degree are responsible for filing an application for graduation with the Registrar’s Office. The deadlines for submitting graduation applications are: May graduation: December 1; August graduation: May 31; December graduation: September 30. Students alone assume the responsibility that all requirements are met prior to the deadline for graduation. Requirements include the following:

Character and Doctrine
Students must evince agreement with the broad principles of the doctrinal positions found in this catalog. The character and reputation of all candidates for graduation is reviewed by the faculty during the student’s final year. In addition to general review of character, no student is permitted to graduate from the University while on academic or disciplinary probation. The University reserves the right to withhold graduation from any student who disqualifies himself/herself in respect to character or orthodox doctrine at any time prior to commencement exercises.

Senior Assessments
Students graduating with Associate or Bachelor’s degrees are required to verify that the Bible, General Education, and Professional Studies objectives of their programs have been accomplished. Examples of assessment include a one-credit capping course called Senior Integration, comprehensive examinations, standardized tests, projects and portfolios requirements. Students should contact Division and Program Directors for details.

Scholastic Rating
The student must satisfactorily complete the required subjects of the program chosen, have the prescribed number of semester credit hours and a grade point average of 2.0 or better. (Some programs require a higher grade point. Please note program requirements carefully.)

Servant Leadership Training
Since the University seeks to train for effective service, it expects that students show commendable zeal and faithfulness in their Servant Leadership Training. Each student’s total SLT experience is evaluated by the faculty in the final semesters of the junior and senior years. The degree may be withheld on the basis of an unsatisfactory Servant Leadership Training record even though the student fulfills all other requirements.

Residency Requirement
In order to provide the University with a realistic opportunity to evaluate all the requirements for graduation including Christian character, basic doctrinal orthodoxy, scholastic rating, and SLT experience, a student must complete at least thirty semester hours of credit at Grace University. Normally, the final fifteen credit hours of a student’s degree program must be earned at Grace University; however, circumstances may provide grounds for the dean to waive this requirement.

A student who withdraws from school with 15 or less hours remaining in a program has one year following the semester in which he or she terminated enrollment to complete the program. After one year, the student must complete the program as structured in the current catalog and complete a minimum of 15 semester credit hours at Grace University.

Finances
All financial obligations to the University must be settled to the satisfaction of the business office prior to graduation.

Participation in Commencement Ceremonies
The University holds an annual spring commencement ceremony. Students completing their requirements during the summer or fall have the option of receiving their degrees at those respective times or waiting until the spring Commencement. Participation in Commencement exercises is required of all graduating students except those who have completed early and elected to take their diplomas or have moved out of the community or have petitioned to graduate in absentia. Only those students who complete all graduation requirements or who file a request of variances by February 1 (specified below) are permitted to participate in the Commencement exercises. There is no waiver or adjustment of graduation fees for students.

Petition to Graduate
Students with deficient academic hours may request permission to participate in the May commencement exercises provided they have no more than 6 semester hours OR one academic course remaining in their program and they meet all other graduation requirements. In order to be considered for this special exemption, the student must submit a letter to the Academic Dean requesting permission to graduate to the by February 1.

Exceptions
The faculty decides on any exceptions to the graduation requirements listed above.

SENIORS ELIGIBLE TO TAKE GRADUATE COURSES
Senior students in baccalaureate programs are eligible to take graduate level courses and apply those credits towards their undergraduate degree provided (1) the graduate course meets the objectives of the undergraduate program, and (2) the students have gained permission from the Dean of the Graduate College to register for the graduate level course. Graduate courses completed to fulfill undergraduate program needs cannot be counted as credit to complete a graduate program should a student apply into a graduate program at Grace. A substitute course may be applied for any course work used within an undergraduate program.

SECOND BACHELOR’S DEGREE
Students who wish to earn a second Bachelor’s degree at Grace University may do so provided (1) at least one year has lapsed between the granting of the two degrees, (2) subsequent to the completion of the first degree at Grace, at least 24 additional hours are taken at Grace University, and (3) all program objectives within the second program are fully met. Individuals holding Bachelor’s degrees from another accredited institution may receive a second Bachelor’s degree provided (1) they complete a minimum of 30 semester hours of residency at Grace University, and (2) all objectives within the second program are fully met.

PETITIONING FOR PROGRAM VARIANCE
Unusual circumstances may provide a student with sufficient grounds whereby the student may petition for a variance to specifically stated program requirements. Should a student believe he/she has sufficient grounds to request variance, the
student should submit a petition form to the Academic Dean. The Academic Dean, in consultation with the Deans’ Council, will make a recommendation on Variance Petitions to the full faculty.

ARTICULATED AGREEMENTS TO ENHANCE LEARNING

Grace University offers students educational opportunities beyond traditional program requirements. Several of these opportunities are offered to Grace students based on an articulated agreement with other institutions and organizations.

Focus on the Family Institute

Grace University holds an articulated participation agreement with the Focus on the Family Institute located on the campus of Focus on the Family in Colorado Springs, Colorado. Because of this relationship, a Grace student has an advantage when competing for limited openings to study for a semester in Colorado. Students are able to complete up to 15 semester credits at Grace through the training experience at Focus on the Family that can enhance their training from Grace. Courses offered are listed below. For more information, contact the Dean of Grace College of the Bible.

Bethsaida Excavation Project

Grace University is an active member in a consortium of colleges and universities actively excavating the ancient site of Bethsaida in Israel. As an active research institution, Grace students have the opportunity to study archaeology on site in Israel and cooperate with students from other institutions in the ongoing excavation of this historical biblical site. For more information contact the Academic Dean.

Jerusalem University College

Grace University is a member of the Consortium of Associated Schools of Jerusalem University College (formerly known as the Institute for Holy Land Studies) whereby Grace University students can travel and study in Israel in short courses (3 weeks) or through extended study (a semester or year). Jerusalem University College has a specialized curriculum designed to introduce students to the study of Palestine and the Near East. Courses are available in archaeology, the languages and literature of Near Eastern cultures and peoples of ancient times, and in the cultures and peoples of today. The curriculum of JUC has been designed to take advantage of the distinctive resources of study and research available in Jerusalem and throughout Israel. Historical and cultural aspects of the land are covered thoroughly in a variety of courses. These courses, together with geographical, archaeological, and linguistic studies, provide a unique on-the-scene exposure. This exposure is ensured through a staff of scholars and lecturers resident in the land. The use of local Jewish and Arab expertise in some of the classes contributes to the unique character of the program.

The major portion of the instruction is done in English by a staff that has been recruited from the faculties of the Hebrew University and the University of Tel Aviv. Students desiring transfer credit in a particular program should consult the Registrar prior to enrolling in courses. For more information contact the Academic Dean.

Children’s Ministry Institute

Grace University has an agreement with the Children’s Ministries Institute (CMI), operated by Child Evangelism Fellowship in Warrenton, Missouri, whereby Grace University students can participate in a one semester, specialized training program for potential leaders and directors in Children’s Ministries. In addition to classroom instruction, this program requires extensive practicum experience within the Christian Education program at Grace University. Acquiring credit for this educational experience is based on permission from the Christian Education Program Director and the Academic Dean and admission into the program by CMI.

LIMITED TRANSFER OF CREDIT FOR NON-COOP STUDENTS

Students currently enrolled at Grace, other than students in cooperative programs, may not enroll in courses at other institutions to meet Grace University program requirements without the written permission of the Academic Dean. This permission must be secured in advance and recommended by the student’s advisor.

Division of Biblical Studies

Division Chair: Karl Pagenkemper, Ph.D.

At Grace University, the Bible is central to each program of study. The faculty and the administration feel there is nothing more important for the believer than growth in knowledge and application of the Scriptures. Accordingly, all students pursuing a Bachelor degree, and most pursuing an Associate degree, are required to complete a major in Bible consisting of 30-42 semester credit hours of Bible and theology, the specifics of which depend upon one’s particular program of study.

We believe that every student should complete a Biblical Studies major for the following reasons:
1. the Bible is God’s written, inerrant revelation concerning who He is and what He desires for creation, a desire most fundamentally revealed in the person, work and reign of Jesus Christ;
2. the Bible provides a unifying matrix in which Christians can integrate their particular disciplines of study with their obligations to kingdom living;
3. a Bible-centered education helps a student evaluate competing systems of thought readily found in one’s surrounding culture;
4. a sound study of the Scriptures lays a necessary foundation for transformation into Christlikeness; and
5. sound study of Scripture lays a foundation for understanding one’s vocation in relationship to the church and to the world.

DIVISION OF BIBLICAL STUDIES OBJECTIVES

The following objectives of the Division of Biblical Studies are applicable to all programs offered by Grace University and are listed below rather than with each program. We desire:

1. that students gain an understanding into the meaning of Scripture through (a) an extensive investigation of its contents, (b) the application of sound interpretive principles to that content, and (c) the presentation and the development of a sound theological system of its teachings;
2. that a student be able to demonstrate the ability to think logically and critically from a biblical worldview;
3. that a student improve his or her proficiency in the personal study of Scripture through competent usage of the tools necessary for sound Bible study;
4. that a student demonstrate his or her respect and commitment to God and his written revelation through (a) personal growth in prayer, worship, Bible study and obedience, and through (b) contributions to the corporate expressions of the community of believers;
5. that each student be responding to his or her understanding of the Scriptures in such a way that the combination of Scriptures and the Holy Spirit effect spiritual transformation; and
6. that the student be able to effectively communicate his or her understanding of the teachings of Scriptures to others.

CERTIFICATE – ONE-YEAR PROGRAM

The One-Year Discipleship Certificate is a program that reflects the strong tradition of Christian ministry at Grace University. The motivation for the Certificate is rooted in the principle that all Christ-followers are called to ministry—lay persons and vocational ministry professionals alike. Since some men and women are unable to complete typical two and four-year degree programs, this program is designed to provide a single year of study to those who want basic education and training in Bible and theology, as well as in Christian life and ministry.

The Discipleship Certificate, while self-contained by design, is constructed in such a fashion that a student can continue for a second year and complete an Associate in Bible. This Certificate program satisfies the requirement of many mission agencies for a one-year program of biblical studies.

DISCIPLESHIP CERTIFICATE

Objectives
Students who complete the Discipleship Certificate should demonstrate:
1. A general understanding of Scripture, and its themes;
2. A sense of world mission;
3. Skill in personal witness;
4. A Christian understanding of human behavior; and
5. The ability to communicate effectively.

1. Greater maturity in the interpretation and under-standing of the Bible;
2. A basic understanding of the major doctrines of Scripture;
3. The ability to work effectively with people in the local church; and
4. Development in some general studies or specialized ministry area.

This will allow each student to be most effective in using the campus network and library and computer lab resources. Successfully passing a competency exam is considered a fulfillment of the GE division objective of “technological” competence for our students. During the Fall orientation, all new students will take a test over Microsoft Office Basics. Any student who does not pass this basic computer competency test will be enrolled in IT 095 Microsoft Office Basics for the respective semester and charged $150 for this course as a zero credit course.

ADDITIONAL STANDARDS
Any student who takes 25% or more of their general education requirements at another institution is required to take either HU 414 Ethics or HU 323 Worldviews as a world view integration requirement.

DIVISION OF GENERAL EDUCATION OBJECTIVES
The objectives of the General Education Division are applicable to most programs and are listed below, rather than with each program:

1. the student should demonstrate the development of a world view that integrates a broad knowledge of human history, behavior, and culture with biblical truth;

Business and Technology Program

The Business and Technology Program is designed to prepare students to impact the marketplace through integration of a Christian world view with business and technology theory and application. The business program at Grace University is distinctive from studies at other educational institutions because of the influence of the Bible. The basis of our program is the understanding that biblical and theological principles, when applied to business, constitute best business practices. This is accomplished by beginning each course with a study of the biblical and theological principles that are pertinent to the course. The student who graduates will have created a philosophy of business built on the combined biblical and theological principles taught in Biblical Studies, General Education and Business and Technology courses.

This program is designed to prepare students for business and technology positions in mission organizations, church and para-church ministries, “tent-making” missionary service, as well as Christian witnesses in the marketplace. Study in the Business and Technology Program leads to one of the following degrees:

Business Degrees offered:
- Bachelor of Science in Business
  - Concentration in Business Administration
  - Concentration in Agribusiness Management
- Bachelor of Science in Intercultural Administration
- Bachelor of Science in Accounting

Technology Degrees Offered:
- Bachelor of Science in Computer Information Systems
  - Concentration in Networking
  - Concentration in CIS in Business
  - Concentration in Software Programming

All technology degrees are cooperative programs offered in conjunction with Bellevue University in Omaha, Nebraska.

Program Objectives

There are four primary objectives of the Business and Technology Program. Students who graduate with a business or technology degree should be able to:
1. Devise a personal philosophy of business that incorporates a biblically based, Christian world view into their business or technology degree and concentration;
2. Demonstrate skills that are needed to competently perform as a business or technology professional in their place of employment, whether in a Christian or secular setting;
3. Demonstrate interpersonal and relationship skills that promote an active Christian witness and effective conflict management; and,
4. Demonstrate proficiency in the practice of Scripture, ethics, accounting, business law, finance, human relations, management, marketing, ministry promotion and servant leadership.

Business Accreditation & Its Benefits

The Business and Technology Program is accredited by the International Assembly for Collegiate Business Education (IACBE). Accreditation of the Business and Technology Program means that the courses, concentrations and majors are sufficiently strong to be ranked as quality courses and programs by an outside over-sight group, and that the academic business program is functioning effectively (e.g., excellent student learning outcomes).

The benefit to the student of studying in an accredited business program is significant in several ways:
1. by having the quality of their Business and Technology Program validated by an external accrediting body;
2. by being able to place “graduated with a degree from an accredited business program” on their resume and on a transcript;
3. by certifying to a prospective employer that their education is from an accredited business program; and,
4. by having the student’s employer pay for tuition (adult learners) when there is a requirement that they must attend a program that has specialized accreditation.

The Business and Technology Program benefits from participation in a business accreditation program in the following ways:
1. by participating in annual professional development programs offered by IACBE;
2. by establishing an Advisory Board composed of business and nonprofit leaders who can assist the academic program in outcomes assessment;
3. by participating in a mission-based, outcomes-driven type accreditation, which helps to identify where changes and improvements are needed in the program;
4. by developing a closer linkage with the business and nonprofit community who like to be associated with programs of high quality, which is evidenced through specialized accreditation; and,
5. by developing mutually beneficial cooperative agreements with other institutions of higher education that permit the Grace University Business and Technology Program to offer more specialized degree options.

Through the accreditation process, IACBE has reviewed the program and determined that the mission, goals, and objectives of the Business and Technology Program are being met according to the outcomes assessment of the program. By submitting to the accreditation process, Grace University has demonstrated its commitment to providing students a high quality education that prepares them to confidently enter into their career.

CAMPING MINISTRY CONCENTRATION (BS)

Program Director:  John Holmes, Ph.D.

This concentration is designed for students who desire to work in a Christian camp or related ministry. This program is offered in cooperation with Camp Forest Springs located in Westboro, Wisconsin. The camp site covers over 500 acres along the shores of James Lake. The camp program is strongly evangelical in faith and practice and is operated under very capable leadership. While the students are completing the first two or three years at Grace University, they make application for admission to Camp Forest Springs. Students who apply visit the camp prior to acceptance into the program. This is usually arranged through the camp and the program director during the fall semester of the freshman or sophomore year. Applications must have at least a 2.5 grade point average, be recommended by the Chair of Christian Education, and be approved by Camp Forest Springs. Those selected spend their training year at the camp site in Wisconsin. The objectives of this year are carefully designed to expose the students to all of the operational areas of a year-round Christian camp. Students return to the University campus to complete the program if any requirements remain.

Objectives

The student who completes the Camping Ministry Concentration should be able to:
1. manifest the attitude of a servant leader,
2. provide evidence of proficiency in the skills of camping ministry,
3. organize and administer a camping ministry program,
4. fulfill the objectives of the Biblical Studies Division, and
5. fulfill the objectives of the General Studies Division.

Intercultural Studies Program

Program Director: Stephen Jones, B.A.

Grace University’s Intercultural Studies program is designed to prepare students for cross-cultural ministry in a variety of contexts. At the heart of the program is our unique, six-month, field-based, training experience called The EDGE. The EDGE includes six months of practical cross-cultural experience and 18 hours of IS coursework completed at one of four different study sites. During the Spring and Summer semesters of each year (Feb-July) Grace University collaborates with a variety of non-profit organizations to implement this hands-on training experience at various locations in Asia, Africa, Latin America and Europe. University professors and qualified personnel from the host site serve as instructors and mentors. The IS program results in a Bachelor of Arts degree (B.A.) that includes a 36- hour major in Bible, a 53- hour major in Intercultural Studies, and an 18- hour Ministry Skills Concentration chosen by the student in consultation with the program director.

Objectives

In addition to meeting the Institutional Goals and Objectives, the student who completes the Intercultural Studies program should be equipped as follows:

1. Demonstrates intercultural and professional development and competence, including the ability to interact knowledgeably with the wide range of literature relevant to the field.
2. Evidences intrapersonal wellness, awareness, and understanding, including the realm of spiritual life based on the teachings and person of Jesus Christ.
3. Manifests application of knowledge and skills related to effective interpersonal interactions.
4. Exhibits an awareness of current and historical political, economic, and religious context, one’s place within that context, and how that context impacts daily service, life, and outcomes in cross-cultural settings.
5. Critically considers a breadth of topics with the demonstrated ability to appropriately apply a critical lens to current and past events, as well as proposed initiatives.
6. Involved with and committed to the work of the church and mission around the world through appropriate channels.

Music Program

Program Director: Gregory D. Zielke, D.M.A.

The University offers a major that is designed to prepare students for music ministries. This major is designed to develop competent musicians who understand the role that music can play in Christian life and ministry; in addition it allows music students to focus on their primary areas of interest. Each music student takes a music core of 47 hours plus 12 hours in their chosen area of emphasis: voice/choral, instrumental, piano, worship and music, music recording and production, or theory/composition. The philosophy and skills gained in this major should prepare graduates to serve effectively in church music programs and schools, and/or attend graduate school. Students who desire teaching credentials should refer to the Teacher Education Program. No more than 24 hours may be transferred into the professional areas of the Music or the Music Education program without the written approval of the program director.

Objectives

Students who complete the music major should:
1. demonstrate a basic understanding of the Christian philosophy of music;
2. demonstrate proficiency in a major applied area of concentration such as keyboard, instrumental, or voice, and achieve minimum proficiency on piano;
3. demonstrate a basic understanding of music—its theory, history, and aesthetics;
4. demonstrate expertise in their chosen concentration;
5. demonstrate ability to perform at a high level in an instrumental or choral ensemble and leadership skills in choral and instrumental preparation and actual performance;
6. fulfill the objectives of the Biblical Studies Division; and
7. fulfill the objectives of the General Education Division.

Special Information:
1. For Music Education program, see The Teacher Education Program.
2. Music majors must pass 8 semesters of performance hour to graduate.

Psychology Program

Program Director: Robert Gall

The psychology major is an academic discipline which applies the scientific method to the study of human behavior. There is a long tradition of theories and research investigation into these concerns. There is also an on-going tradition of examining this psychological knowledge base from a biblical perspective. This major provides the student an opportunity to study a wide variety of psychological topics from a Christian perspective. Each student will learn the basic skills to allow them to access the professional literature and to understand the research process. Students will become skilled at being able to critically think and communicate about psychological topics.

The psychology major is designed with considerable flexibility for the student. There are basic core classes required for each student, complemented with a diverse selection of elective classes to fulfill the degree requirements. In addition to the Drug and Alcohol concentration, psychology students have the option to select one of two intercultural studies programs. They will study in a cross-cultural setting either through Grace University's EDGE program, which is a six-month cross-cultural experience at one of four study sites abroad, or to serve in an urban intercultural environment in the United States. This degree is also designed to prepare the student for entry into a graduate program, such as Grace University's Counseling program. For those students who do not choose to pursue graduate study, a career may develop in welfare work, business, church work, or any area where psychological/relational skills training is beneficial.

Special Concentration in Drug and Alcohol Counseling

A Drug and Alcohol Counseling Concentration is available to students who are interested in a career in this type of counseling. The State of Nebraska states that those individuals who have met the requirements for the counselor certification core education classes and meet the requirements for the supervised practical training may apply for a license as a provisional drug and alcohol counselor. Bachelor’s level training qualifies an individual for Drug and Alcohol Counseling, when the course requirements are met.

If a student is interested in this course of study, the following courses must be taken as part of the Psychology electives:

- PSY 211 Child & Adolescent Development
- PSY 212 Adult Development
- PSY 305 Multicultural Psychology
- PSY 401 Professional Ethics and Issues
- PSY 411 Theories of Psychology and Psychotherapy
- PSY 412 Group Dynamics
- PSY 473 Alcohol/Drug Assessment, Case Planning and Management
- PSY 475 Medical and Psychosocial Aspects of Alcohol/Drug Use, Abuse and Addiction
- PSY 477 Clinical Treatment Issues in Chemical Dependency

Objectives

The student who completes the psychology program should be able to:

1. demonstrate a general understanding of human behavior, their strengths and problems and overall general functioning;
2. demonstrate the skills necessary to evaluate psychological knowledge in light of a Christian worldview, and demonstrate an ability to apply that knowledge across different cultural spectrums;
3. demonstrate skills at accessing the vast body of psychological literature. Students will demonstrate an ability to write papers in an APA format, formulate research questions, and generate, develop and deliver research proposals;
4. fulfill the objectives of the Biblical Studies Division; and
5. fulfill the objectives of the General Studies Division.

Teacher Education Program
Program Director: Susan E. Alford, M.S.

This program is designed for students who desire to teach in public schools or private schools. Because of the growing Christian school movement and its need for teachers who have developed a Christian philosophy of education and have integrated their knowledge of the Bible with professional and general knowledge subjects, Grace University launched this program in 1998. Grace also recognized that qualified Christians can have a significant impact on society by serving as educators in other educational settings such as private sectarian or religious schools or public education.

The Teacher Education program offers a Bachelor of Science degree with majors in both Bible and Teacher Education. The program has standard approval status with the Nebraska Department of Education. The goal of the program is to prepare educators in defined areas of endorsement who meet the certification requirements of the Nebraska Department of Education as well as the Association of Christian Schools International (ACSI).

TEACHER CERTIFICATE AND ENDORSEMENT AREAS

The State of Nebraska requires that professional educators in Nebraska public and private school systems hold a valid teaching certificate from the Nebraska Department of Education. Each certificate indicates one or more endorsement areas. There are several different categories of certificates and endorsements. Of primary importance to individuals considering a career in teacher education are the types of endorsements available. These endorsements include:

Field - two or more subjects, which considered as a single area of study, represents a wider or broader scope than that of a subject.

Subject - a specific course or narrow range of courses taught and offered in a school.

Administrative - supervisory in nature; endorsements such as a curriculum director, principal, or superintendent are within this category.

Supplemental - an endorsement that exists by itself on a certificate but is added to a certificate only in the presence of other endorsements.

Special Services Counseling - endorsements in areas of specialization such as speech pathologists, school nurse, and school psychologist.

Grace University’s Teacher Education program is designed to meet endorsement requirements in the following areas:

Field Endorsements:
- Elementary Education/ELL (K-6)
- Mathematics (7-12)
- Middle School/ELL (4-9)
- Music (K-12)
- Social Science (7-12)

Subject Endorsements:
- Basic Business (7-12)
- English (7-12)
- History (7-12)
- Instrumental Music (K-6) or (7-12)
- Religious Education (K-12)
- Vocal Music (K-6) or (7-12)

Supplemental Endorsements:
- Coaching (7-12)
- English Language Learner (K-12)

TEACHER EDUCATION PHILOSOPHY AND OBJECTIVES

In order to maintain the highest standards in competency for our graduates, the Grace University Teacher Education Program is designed as a competency-based, portfolio-oriented professional teacher education program. By this, we mean that satisfactorily completing of a set of courses will not automatically mean the graduate is qualified for teacher certification. Grace University requires that each professional educator demonstrate competency within the appropriate endorsement requirements, and evidence of that competency (as defined by the Teacher Education faculty) must be included in the graduate’s portfolio for review prior to the University’s Certification Officer submitting appropriate paperwork to the Nebraska Department of Education and the Association of Christian Schools International for appropriate certification. Program objectives and requirements are derived from principles established by the Interstate New Teacher Assessment and Support Consortium (INTASC), the Nebraska Department of Education requirements as specified in 92 NAC 20-24, and the Association of Christian Schools International (ACSI) requirements for teacher certification.

The educational objectives for the Teacher Education program are as follows. Students who complete the program should be able to:
1. Demonstrate an understanding of and appreciation of the philosophy, history, and operation of the private and public school, especially of the private Christian school.
2. Demonstrate proficiency in the subject areas in which one will be instructing students.
3. Show familiarity with current curriculum, methods, and materials essential for a new teacher within the scope of the teacher’s endorsement area.
4. Demonstrate the necessary teaching strategies and skills, management techniques, and personal attitudes normally expected of a successful new teacher consistent with the 10 Principles of Assessment established by INTASC.
5. Demonstrate an understanding of, a concern for, and a desire to teach students.
6. Fulfill the objectives of the Biblical Studies Division.
7. Fulfill the objectives of the General Education Division.

POLICY ON HUMAN RELATIONS AND MULTICULTURAL EDUCATION

Grace University is committed to preparing teachers to serve effectively in cross-cultural and multi-cultural settings with the United States and around the world. Critical to this preparation for new teachers is (1) an understanding of human relations in our pluralistic world, (2) an understanding of personal and cultural biases, and (3) an understanding of how human biases impact a community and its educational processes. In this context and consistent with the institution’s mission, Grace is committed to multi-ethnic and cross-cultural educational opportunities welcoming normally acceptable diversity. This program is therefore open to Christians without regard to race, color, ethnic origin, disability, or socioeconomic status, and seeks to maintain compliance with Nebraska law.

TEACHER EDUCATION PROGRAM ADMISSIONS REQUIREMENTS

In addition to general University admission requirements, the Teacher Education Program has five additional program admission requirements pursuant to 92 NAC 23. These additional requirements are:

1. Overall grade point average of a least 2.5 on a 4.0 scale with at least 30 semester hours attempted. A “C” or above must be earned in all professional coursework.
2. Minimum acceptable scores on the basic skills test approved by the Nebraska Department of Education. The acceptable test is the Pre Professional Skills Test (PPST). Satisfactory scores for the PPST include a 170 on the reading component, 171 on the mathematics component, and 172 on the writing component.
3. Recommendations by two faculty members who are in a position to assess the student’s potential as a prospective teacher.
4. Evidence of proficiency in English and Mathematics as indicated by a grade of “C” or above in college level courses or scores at or above the fiftieth percentile on the English or Mathematics sections of the ACT.
5. 92 NAC 20 requires that the following regulations and appeal process be in effect:

Nebraska Felony and Misdemeanor Policy

All teacher education institutions shall require the prospective student teacher to affirm under oath that he or she has no felony convictions of any kind nor any misdemeanor convictions involving abuse, neglect, or sexual misconduct.

A person with a conviction as indicated in the rule shall not be allowed to participate in pre-student teaching field, laboratory, and classroom experiences, or student teaching without approval by the Commissioner or the Board.

The affirmation under oath that the student has no felony convictions or any misdemeanors involving abuse, neglect, or sexual misconduct must be established in the student file prior to participation in any pre-student teaching field, laboratory, and classroom experiences, or student teaching.

In compliance with this rule, the following Grace University policies are in effect:

- No student will be allowed to participate in pre-student teaching field, laboratory, and classroom experiences, or student teaching without a notarized oath as described in the teacher education handbook.
- No student will be admitted into the teacher education program until all five of the criteria for program admission are fulfilled.

After consideration by the Teacher Education Committee, the applicant will be approved or disapproved for admission to the Teacher Education Program. Approved applicants and their advisors will be notified by letter from the Teacher Education Committee. Applicants not approved for admission to the Teacher Education program and their advisors will be notified of the reasons for disapproval by the committee. Applicants may appeal the decision of the committee before the University’s Dean Council.

Mental and Emotional Incapacity Disqualification from Admission

Any person who has been determined to have a mental or emotional incapacity to practice the profession as evidenced by a legal adjudication or determination thereof or by other lawful means are denied certification by the Department of Education and are not allowed to practice in pre-student teaching field, laboratory, or classroom experiences, or student teaching. Appropriate evidence to determine emotional or mental capacity is as follows:

- The person, at the time of consideration for admission into the teacher education program, is disqualified by a declaration or order or a mental health board in this state, or by a similar finding by a similar body in another state.
- The person, at the time of consideration for admission into the teacher education program, is disqualified when a mental health professional qualified under the laws, rules, and regulations of this state has determined that the person has a significant mental illness or emotional impairment and is an inpatient or resident in a facility for mentally ill individuals, or a similar determination has been made by similarly qualified mental health professionals in another state.
- The person, at the time of consideration for admission into the teacher education program, is disqualified when a court has declared the individual mentally incompetent in regard to a standing trial for a criminal charge, or has been found by a court to have recovered from such incompetence in this state or another state.
- The person, at the time of consideration for admission into the teacher education program, is disqualified when he/she has been acquitted of a criminal charge on the basis of a finding of insanity in this state or another state unless a court, subsequent to the acquittal, has found the person not dangerous to himself, herself, or others and has released the person from court ordered treatment.
- The person, at the time of consideration for admission into the teacher education program is disqualified when a court has appointed a conservator or made other protective order(s) due to a court’s finding that the individual is unable to manage his/her property or property affairs effectively for reasons of (a) mental illness, (b) mental deficiency, (c) chronic use of drugs, or (d) chronic intoxication in this state or another state and no court order has been entered that the disability has ceased.

TRANSFER CREDIT

All students transferring into the Teacher Education program must (1) complete at least 30 semester hours at Grace University, (2) be classified as a “senior” for at least one semester, (3) satisfactorily complete student teaching under the supervision of Grace University faculty, and (4) meet all program requirements in order to graduate from the Teacher Education program. Students who (1) transfer 60 or more semester hours from other approved institutions (meeting teacher education program standards of the Nebraska Department of Education within Nebraska or meeting teacher education program standards established by another state), (2) meet GPA requirements, (3) meet all regular University admissions requirements, and (4) comply with the Nebraska Felony and Misdemeanor Policy may enroll in upper division Teacher Education courses during their first semester at Grace only with the permission of the Teacher Education Program Director. Transfer students must (1) apply for admission into the program, (2) meet all program admission requirements, and (3) be admitted into the Teacher Education program before enrolling in additional Teacher Education courses beyond the first semester. Transfer students should discuss their specific needs with the Program Director.

READMISSION AND PROGRAM RETENTION

If a student who has been admitted to the Teacher Education program is suspended from the University he/she automatically is removed from the Teacher Education program. If he/she should later be readmitted to the University it is necessary for him/her to re-apply for admission to the Teacher Education program should he/she desire to pursue the Teacher Education program again. While basic skills test scores need not be resubmitted, if the student’s enrollment lapses more than 365 days, it will be necessary for the student to submit a new affirmation statement regarding the felony and misdemeanor policy. Student progress is reviewed each semester to guarantee that all students who have been admitted to the program continue to maintain the standards set at entry. If a student falls below the admission standard, or in other ways demonstrates unprofessional behavior as identified by the Teacher Education faculty, the student will be informed by the Teacher Education Program Director that he/she is being withdrawn from the program. The student may appeal this decision to the Dean’s Council. If the student is removed from the Teacher Education program for any reason, it is necessary for him/her to re-apply for admission to the program.

ADMISSION TO STUDENT TEACHING

Students preparing for their student teaching experience must submit an application for student teaching two semesters prior to the student teaching term. To be eligible to enter student teaching, students must meet the following requirements:

1. The student must have official notification of acceptance into the Teacher Education program.
2. The student must have an overall grade point average of 2.5 or above. All professional coursework must be a “C” or above.
3. The student must have a minimum of 30 hours of credit at Grace University.
4. The student must have successfully completed all practicum requirements prior to the student teaching experience.

Program Scheduling

Students scheduling course work in any endorsement area should consult the Teacher Education handbook with an assigned faculty advisor. While a theoretical schedule is designed to demonstrate completion in four years, the Teacher Education faculty recommends course work completion in four years with the student teacher experience following. Some individuals may desire a slower pace in order to maintain GPA requirements, enroll in additional elective courses, or spend time in extra-curricular activities at the University. Furthermore, in considering time commitments for any endorsement at Grace, it is important to remember that in addition to meeting normal field endorsement requirements, every graduate also meets the requirements for a Nebraska Department of Education endorsement in religious education and meets the requirements for ACSI teacher certification.

Teacher Education Program Requirements

Listed on the following pages are the Teacher Education program requirements and specific endorsement area requirements offered by Grace University designed to meet Nebraska Department of Education, Association of Christian Schools International, and Grace University academic requirements.

ASSOCIATE OF EDUCATION DEGREE

Persons with this endorsement may hold paraprofessional positions in kindergarten through Grade 12 but do not hold a teaching certificate in the State of Nebraska. Individuals with this degree are qualified for teaching positions in many preschool and day care settings.

**Note:**

1. Bible/Theology Requirements - Studies in the Biblical Studies sequence (specifically course work focusing on Jewish history and the ancient Middle East) provide significant non-western perspective and should be viewed in the curriculum as non-western studies.

2. Professional Requirements (Teacher Education Core) – In addition to the Bible/Theology requirements, General Education Requirements, and Professional Requirements listed, student must complete appropriate endorsement requirements. These endorsements are designed to meet specific requirements established in 92 NCA 24.
**RELIGIOUS EDUCATION SUBJECT ENDORSEMENT**

Completion of the Biblical Studies Division requirements provide the basis for endorsement requirements. These requirements are established by the University consistent with ABHE requirements in Bible and adequately meets ACSI Bible requirements. While the Nebraska Department of Education authorizes the Religious Education subject endorsement, it does not determine endorsement criteria.

Cooperative Programs
In addition to our articulated Aviation and Communications Cooperative Programs (Iowa Western Community College), Business and Technology Program (Bellevue University), and our Nursing Cooperative Program (Clarkson College), Grace University offers individualized second majors in academic and vocational-technical fields using cooperative agreements with other institutions of higher education. Institutions collaborating with Grace to meet student needs are Bellevue University, University of Nebraska at Omaha, Clarkson College, Metropolitan Community College, Nebraska Christian College and Iowa Western Community College. Currently, Grace University has general articulated agreements with the University of Nebraska at Omaha and the Air Force for their Reserve Officers Training Corps program. Some of the fields that students have pursued by cooperative arrangement have included: Computer Science, History, Foreign Language, Mathematics, Political Science, Sociology and Studio Art.

In addition to academic fields, Grace University is also willing to incorporate Vocational–Technical training into an individualized second major. Listed below is a sampling of Vocational–Technical training options students have pursued in the past: Agriculture, Art, Administrative Assistant/Office Services, Automotive Technology, Bookkeeping, Construction Technology, Drafting & Design, Electronic Imaging & Graphics, Food Arts & Management, Microcomputer Technology, Nursing, Office Technology, Photography, Sign Language Interpreting, Software Applications Management, and Welding.

In order for the student to be successful at completing a second major through a cooperative program, it is important to establish an academic plan prior to the first semester on campus. Students should advise Admissions Personnel of their interest in individualized second majors via cooperative programs. Admission as a student into Grace University does not assure admission into another institution for a cooperative program. An articulated academic plan, approved by the Academic Dean, should be established between the student and Grace noting institution requirements established by a cooperating institution.

Cooperative Program Objectives
The students who complete these programs should be able to:
1. fulfill the objectives of the Biblical Studies Division;
2. fulfill the objectives of the General Education Division;
3. demonstrate familiarity with the following areas of church-related ministry: missions, evangelism, and Christian education;
4. function effectively as a Christian within one’s home, community, and vocation;
5. use academic or vocational-technical disciplines in church-related or community-related service; and
6. provide evidence that the requirements for entry into a particular vocational-technical field have been satisfactorily completed.

### EXCEL DEGREE COMPLETION PROGRAM (BS)

#### WHAT IS THE DEGREE-COMPLETION PROGRAM?

The EXCEL Degree Completion Program is a nontraditional program typically serving adults age 25 and older who want to complete their bachelors degree. It is aimed at students who have completed 62 semester credit hours of college with a cumulative 2.0 GPA or better. (Students who have completed fewer than 62 credits but believe they are interested in this kind of delivery system can consult with the EXCEL Office about options.)

Students may choose between a BS in Christian Ministry, a BS in Psychology, or a BS in Business Leadership. Because most adult students are employed in other vocations, classes are offered in the evening. It is possible to complete 40 hours of upper division classes by meeting in one four-hour session per week for 64 weeks (15 months).

Classes are taught in a manner that is conducive to learning for adults. An atmosphere of sharing experiences in family, career, and church promotes self development among the students.

While in the EXCEL Adult Degree Completion Program, students will routinely spend 10 to 15 hours in preparation for each class. The EXCEL Adult Degree Completion Program enables adult learners to develop:

1. intrapersonal and interpersonal skills;
2. written and oral communication skills;
3. problem-solving and decision-making skills;
4. understanding of biblical and professional research techniques and applications; and
5. evangelism and edification skills through servant leadership training.

ACADEMIC CALENDAR

The EXCEL Degree Completion Program operates on a year-round, semester basis (Fall, Spring, and Summer) with classes beginning every 5-6 weeks. The program consists of four semesters with three classes each semester. Classes are either five or six weeks in length. Included in the schedule is a one-week break for Thanksgiving and a three-week over Christmas.

ADMISSIONS CRITERIA

Completion of 62 or more semester hours of credit or an Associate of Arts Degree (AA) from an accredited college/post-secondary institution.

 Normally 25 years of age or older.

Cumulative grade point average of 2.0 (on a 4.0 scale) or better on all prior academic work.

Completion of application paperwork (application, spiritual life reference, and writing sample), official transcripts and payment of $35 non-refundable application fee (or $25 non-refundable on-line application fee).

When all of the above criteria have been met, the EXCEL Adult Degree Completion Program Acceptance Committee will review the admission application.

APPLICATION PROCESS

Admission to Grace University’s EXCEL Adult Degree Completion program is contingent upon completion of the following items:

Application for Admission
Submit a completed application form including a non-refundable application fee payable to Grace University.

Salvation
Candidates for admissions will be asked if they have trusted Christ as their personal Savior.

Transcripts
You must have official transcripts sent from your high school and all institutions/universities attended, including a military DD214, if applicable, to the EXCEL Admissions Office. Student copies are not official transcripts. Check with the Registrar from each institution for the appropriate transcript fee. The assessment officer completes an official transcript evaluation form for each student.

Spiritual Life Reference
One recommendation from the applicant’s pastor or other spiritual leader is required as part of the application process. This recommendation deals with the personal characteristics and spiritual demeanor of the applicant.

Writing Sample
This one-to-two page letter is used to assess your ability to communicate effectively in written form. ACADEMIC OPTIONS FOR PROGRAM ENTRANCE
A total of 62 semester hours of credit are needed for a student to enter the EXCEL Adult Degree Completion Program. These hours must come from one of the following sources: (1) traditional academic courses at Grace or an accredited institution of higher education; (2) online academic courses or Independent Studies; (3) CLEP exams.

Official transcripts must be submitted for all college or university studies. All official transcript evaluations will be done by the EXCEL Assessment Officer. The amount of credit, courses to be accepted, and the method of evaluation will be determined on an individual basis by the nature of the courses and the type of institution.

A “Credit-in-Escrow” policy permits students from non-accredited institutions to enter the EXCEL program with the possibility of having some transfer credits accepted in the future if they are successful in EXCEL. A minimum grade of “B” in the first three EXCEL courses is required. Upon satisfactory completion of this criterion, students are eligible to transfer applicable credits, with some limitations, from a non-accredited institution, provided they (1) received a grade of “C” or better in the course(s) in question, (2) the course(s) fits into academic requirements, and (3) no existing institution policies are violated.

In all such cases, the University reserves the right to require the applicant to demonstrate the required proficiency by scoring at acceptable levels on departmental examinations in related subject areas, by undergoing a probationary period of one semester at Grace University or by fulfilling both of these requirements.

ACADEMIC OPTIONS FOR GENERATING ADDITIONAL CREDITS FOR PROGRAM COMPLETION

Once a student is in the EXCEL Degree Completion Program, additional credits can be earned toward graduation by completing any of a number of options. These options should be discussed with the EXCEL Advisor.

- Traditional undergraduate day courses at Grace University.
- Independent studies and online courses accessed through the Grace web site. Contact the EXCEL Office for details.
- Condensed evening/weekend courses through Grace University.
- Petition for Credit - Professional Schools/Training/Certifications on a case-by-case evaluation. Applies only to general electives.
- College Level Examination Program (CLEP) exams or DANTE exams.
- DELA (Documented Experiential Learning Analysis), documentation of personal experiences integrated with current research and learning outcomes. Applies only to general electives.

Students can earn a maximum of 36 hours of credit using Life Learning Electives or DELAs. The average EXCEL Adult Completion Program student earns between six and ten hours of credit this way.

Degree Requirements

**General Education Requirements**  
**84 Hours**

Sixty-two hours are required to enter the EXCEL program. These hours are made up of previously earned college credit. Applicants with less than 62 hours will need to bring their credit hours up to that amount before beginning the EXCEL program. An admissions counselor can assist those with fewer than 62 credits to develop a plan to meet this requirement. An Associate of Arts Degree may meet this requirement.

**Specific General Education requirements** - The following general education courses are required as part of the 84 non-EXCEL credits:

- 3 hours in English Composition or Literature
- 3 hours in Speech or Oral Communication
- 3 hours in Humanities
- 3 hours in History

In addition, Business Leadership students must have a business course, Psychology students must have an introductory or an upper division psychology course, and Christian Ministry students must take BS 406 Romans (3) and a ministry internship (3).

Students will register for three courses each semester; these courses will either be Bible courses or the professional courses in the students’ major (Psychology, Business Leadership, or Christian Ministry).

At least 24 semester hours are necessary for a major. During EXCEL, the student will take 21 of these hours. If the student does not transfer in 3 additional hours in his/her professional studies area, then an additional 3 hours is required either in Psychology or Business Leadership. Those Psychology students who do not transfer in a course in General Psychology should plan to make up this deficit during his/her first year in Core studies.

The EXCEL Bible requirements are made up of 19 hours of Bible and Theology classes. These will qualify the student for a minor in Bible upon graduation. For those students wishing to have a second major in Bible, 5 additional hours in Biblical Studies are required. One of the strengths of Grace University is its Bible and Theology offerings. All EXCEL students are encouraged to take advantage of these offerings.

**Reserve Officers Training Corps (ROTC)**

Grace University in cooperation with the Department of Aerospace Studies of the University of Nebraska at Omaha functions according to the rules and policies of the University and those of the USAF. The Air Force ROTC program is open to both men and women and is designed to develop the skills and attitudes vital to the career professional Air Force officer. Upon successful completion of the Air Force ROTC program and graduation from the University, cadets are commissioned Second Lieutenants, USAF. Instruction includes a two-year basic course (General Military Course - GMC) and a two-year advanced course (Professional Officer Course - POC).

To enroll in the POC course, applicants must complete either the college GMC program or a six-week Field Training (FT) program at an Air Force base. Applicants for the six-week FT must arrange for such training prior to completing their sophomore year. A number of Air Force ROTC college scholarships are available to outstanding cadets. For complete information on the Air Force ROTC program contact the Professor of Aerospace Studies (PAS), 402-554-2318.

Aerospace Studies, on all levels, are presented to AFROTC students as professional courses. The academic curriculum of Air Force ROTC consists of two distinct general courses. The General Military Course is a continuing freshman-sophomore course of two academic years. The Professional Officer Course is a junior-senior-graduate course of two academic years. Air Force ROTC leadership laboratory activities, which are a part of each course, offer students many opportunities for practical leadership training. The GMC curriculum emphasizes the potential of aerospace power. Courses are designed to acquaint the student with aerospace power and the Air Force mission in support of our national defense. The courses are open to all full-time University students. Textbooks and uniforms are furnished at government expense. All students are provided leadership experience through participation in leadership laboratory activities.

The GMC courses also include voluntary trips to various Air Force installations throughout the United States. Students enrolled in GMC courses are not in the military service and assume no military obligation. Students with prior military service or high school ROTC
experience may receive credit for portions of the GMC program. Entering freshmen should register for AS 1310 and AS 0010 during registration.

The POC curriculum emphasizes communicative skills, civil-military relations, leadership, human relations, problem solving, and decision making. Courses are open to students who have either: completed the GMC program, or attended a six-week summer field training course at an Air Force Base in lieu of the GMC program.

Students not enrolled in the GMC program should contact Air Force ROTC by February to be tested and processed for the fall semester.

POC cadets enlist in the Air Force Reserve and receive approximately $2,000 for their two-year participation. POC cadets manage all leadership laboratory activities.

Air Force ROTC College Scholarships are available to both male and female cadets enrolled in the AFROTC program. These scholarships provide full tuition, laboratory expenses, incidental fees and an allowance for books and supplies. Scholarship cadets also receive $100 a month in non-taxable allowances. For complete information on each AFROTC program and these scholarships, contact the UNO Department of Aerospace Studies.

**COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)**

The College Level Examination Program (CLEP) is used to establish credit in certain college courses. A total of 15 hours exam based credit can be earned through examinations such as AP, CLEP subject examinations, and Challenge Exams; however no credit is allowed for CLEP general exams. Credit can only be offered in fields of studies that are equivalent to those offered or approved by the University. For CLEP exams that are approved by the University, minimum raw score requirements for credit, and credit hours approved per course are listed below. Credit earned by CLEP examination is not counted towards residency requirements for graduation. If the course has been taken by audit, or if the student has already completed one semester of a year-long course sequence such as English or History, credit is not given by CLEP examination. Grace students are assessed a CLEP Exam Transcript Posting Fee. Fees for testing materials are assessed to all students taking CLEP examinations by the testing center. Fees are listed in the Financial Information section of this catalog. For additional information write to the Academic Affairs Office. The University is a CLEP Test Center, and its code number for the CLEP examination report is 6248. See below for a listing of CLEP Subject Exams accepted by Grace University.

Our Doctrinal Statement

The following is the unabridged doctrinal statement of the University and provides the basis for doctrinal agreement. Each member of the Board of Trustees, Administration, and Faculty is required to subscribe annually to the doctrinal statement. Copies of this document are available from the President’s Office.

ARTICLE I
The Scriptures
We believe... That “all Scripture is given by inspiration of God” (2 Tim. 3:16), accepting unreservedly the writings of the Old and the New Testaments as the infallible Word of God (Jn. 17:17; 1 Thess. 2:13; Ps. 119:89).
...That it is divine revelation, given by the Holy Spirit to holy men of God (2 Pet. 1:21; Acts 1:16; Jn. 16:3; 1 Cor. 2:13); verbally inspired in all its parts (Ex. 4:15) and therefore wholly without error as originally given of God (Matt. 5:18; Jn. 10:35); altogether sufficient in itself as our only infallible rule of faith and practice (2 Tim. 3:16, 17; Rom. 15:4; 1 Cor. 10:11) and everywhere centering in, and pointing to, the Person and work of our Lord Jesus Christ of Whom all Scripture testifies (Lk. 24:27, 44; Jn. 5:39; Acts 17:2-3; 18:28).

ARTICLE II
The Godhead
We believe...That God is spirit (Jn. 4:24), eternally existing in three Persons, the Father, the Son and the Holy Spirit (Matt. 28:19; 2 Cor. 13:14).
...That these three are one God (Mk. 12:29), Who is perfect, infinite and eternal in His being, holiness, love, wisdom and power (Ps. 18:30; 147:5; Deut. 33:27; Ps. 135:6); absolutely separate from and above the world as its Creator (Gen. 1:1), yet everywhere present in the world as the Upholder of all things (Ps. 139:1-10; Ps. 104); self-existent and self-revealing (Jn. 5:26; Matt. 11:27).
...That each of the three Persons is worthy of equal honor, obedience and worship (Jn. 1:1-3; Acts 5:3-4; Jn. 5:23).

ARTICLE III
God The Father
We believe...That, although God is the Creator of the universe and of the human race (Gen. 1:1, 26, 27; 2:7, 21, 22; Acts 17:28, 29), He is the Father only of those who accept the Lord Jesus Christ as their personal Savior (Jn. 1:12, 13; Gal. 3:26; 1 Jn. 3:2).
We do not believe in the universal Fatherhood of God, nor the universal Brotherhood of man (Jn. 8:42-44; 1 Jn. 5:12).

ARTICLE IV
Jesus Christ
We believe...That the Lord Jesus Christ, the Second Person of the Triune God (Matt. 28:19), the Eternal and Only-begotten Son of God (Ps. 2:7; Jn. 1:18; 8:58), came into the world, as provided and purposed by God, and as pre-announced in the prophecies of the Scriptures (1 Pet. 1:10; Acts 2:23; Gen. 3:15), that he might become the Redeemer of a lost world (Lk. 19:10).
...That without any essential change in His divine Person (Heb. 13:8), He was conceived by the Holy Spirit (Matt. 1:18; Lk. 1:35), became a man through the miracle of the Virgin Birth (Matt. 1:23), received a human body and a sinless human nature (Jn. 1:14; 2 Cor. 5:21; 1 Pet. 2:22; 1 Tim. 3:16; Heb. 2:14, 17; 1 Jn. 3:5) and thus continues forever as both true God and true Man (Col. 2:9; Rev. 22:16), one Person with two natures (Rom. 1:3-4; 1 Tim. 2:5).
...That as a Man He was in all points tempted as we are, yet without sin (Heb. 4:15; Jn. 8:46).
...That as the perfect Lamb of God (Jn. 1:29) He gave Himself in death upon the Cross (Matt. 20:28; Phil. 2:8), shedding His own precious Blood (1 Pet. 1:18-19), bearing there our sin (1 Pet. 2:24) and suffering its full penalty of divine wrath as our substitute (Isa. 53:5-6; Gal. 3:13).
...That He arose from the dead and was glorified in the same body in which He suffered and died (Jn. 20:25-28; Acts 2:32, 33).
...That as our great High Priest He ascended into heaven (Heb. 4:14; Acts 1:9), there to appear before the face of God as our Advocate and Intercessor (Heb. 7:25; 9:24; 1 Jn. 2:1).
...That He will come again (Acts 1:11), first to receive from the earth His own (Jn. 14:3), and then to establish His righteous kingdom upon the earth (Acts 15:14-16).

ARTICLE V
The Holy Spirit
We believe...That the Holy Spirit, the Third Person of the Trinity (Matt. 28:19), is the divine Agent in nature, revelation and redemption (Gen. 1:2; Ps. 104:30; 1 Cor. 2:10; Tit. 3:5).
...That, though omnipresent from all eternity, He took up His abode in the world in a special sense on the Day of Pentecost, dwelling in each and all believers (Acts 2:1-4), baptizing them into one body, the Church of Christ (1 Cor. 12:13).
...That He will never take His departure from the Church (Jn. 14:16; Eph. 1:14), but is ever present to testify of Christ, seeking to occupy fill the believer with Him (Jn. 15:16; 16:14).
...That His abode in the world, in this special sense, will cease when the Church is completed, and when Christ comes to receive His own (2 Thess. 2:7; Jn. 14:16; Rev. 4:5).
...That in this age certain well-defined ministries are committed to Him, such as: the restraining of evil in the world to the measure of the divine will (2 Thess. 2:7); the convicting of the world with respect to sin, righteousness and judgment (Jn. 16:8-11); the regenerating and cleansing of all believers (Jn. 3:5; Tit. 3:5); the indwelling of all who are saved (Rom. 8:9; Jn. 14:16, 17); the anointing of believers to teach them all truth (Jn. 16:13; 1 Jn. 2:20, 27); the sealing of believers unto the day of redemption (Eph. 1:13,14; 4:30);
the continued filling for guidance, power and service of those among the saved who are yielded to Him, and who are subject to His will (Eph. 5:18; Acts 4:31); and the bestowal of spiritual gifts upon the members of Christ’s body according to His own will (1 Cor. 12:1, 8-11).

ARTICLE VI
Creation and Fall of Man
We believe...That man was the direct creation of God (Gen. 2:7; 18:22), spirit and soul and body (1 Thess. 5:23), and not in any sense the product of animal ancestry (1 Cor. 15:39), but made in the image and likeness of God (Gen 1:26, 27).

...That through personal unbelief and disobedience to the revealed will of God man fell (Gen. 2:17; 3:11), became a sinful creature (Mk. 7:21-23), lost his spiritual life (Eph. 4:18), became “dead in trespasses and sins” (Eph. 2:1), lives under the righteous judgment and wrath of God (Rom. 1:18; Jn. 3:36) and became subject to the power of the devil (Acts 26:18; Col. 1:13).

...That this spiritual death, or total depravity of human nature (Jer. 17:9; Rom. 7:18), has been transmitted to the entire human race (Gen. 5:3; Rom. 5:12), Jesus Christ only being excepted (Lk. 1:35), so that all are sinners both by nature and by practice (Eph. 2:3; Rom. 3:23) and are essentially and totally unable of themselves to gain recovery or salvation (Rom. 3:20; Jer. 13:23; Jn. 1:13; 2 Cor. 4:4).

ARTICLE VII
Salvation Through Grace by Faith
We believe...That our salvation is the free gift of God’s grace (Rom. 6:23; Eph. 2:8).

...That we are justified solely on the ground of the shed Blood of our Lord Jesus Christ (Rom. 3:24; Heb. 9:22) who was made sin for us by His substitutionary death on the Cross (2 Cor. 5:21; 1 Pet. 2:24).

...That salvation is received only by personal faith in the Lord Jesus Christ (Acts 16:31; Jn. 3:16).

...That it is neither merited nor secured, in part or whole, by any virtue or work of man (Rom. 4:4, 5; Jn. 6:28, 29), for no repentance, no confession, no feeling, no sincere efforts, no good resolutions, no submission to any rules or ordinances of any church can add in the least to the value of the Blood of Christ, nor be added in any sense to believing as a condition of salvation (Eph. 2:8, 9; Isa. 64:6; Gal. 3:11; Col. 2:13, 14).

...That this salvation has a threefold aspect: salvation from guilt and penalty of sin justification; salvation from the power of sin – sanctification; salvation from the presence of sin – glorification (Tit. 2:11-13; Heb. 9:24, 26, 28; Phil. 3:20, 21; Rom. 8:23), and includes the whole man – spirit, soul and body (1 Thess. 5:23).

...That true believers have as a present possession the gift of eternal life (1 Jn. 5:10-12), a perfect righteousness (Rom. 3:22), sonship in the family of God (Jn. 1:12; 1 Jn. 3:1, 2), every spiritual resource needed for life and godliness (Eph. 1:3; 2 Pet. 1:3) and deliverance from all condemnation (Jn. 5:24).

...That in view of this completeness in Christ (Col. 2:10) and the abiding, sanctifying presence of the Holy Spirit (Jn. 14:16, 17; Tit. 3:5), it is in no way required by God to seek a “second work of grace” (Gal. 3:3).

...That apart from Christ there is no possible salvation (Jn. 14:6; Acts 4:12; 13:39).

ARTICLE VIII
Sanctification
We believe...That sanctification, which is a setting-apart unto God, is threefold:

That it is already complete for every person because his position toward God is the same as Christ’s position (Heb. 10:10, 14; 1 Cor. 6:11, RV).  

...That while the standing of the believer is thus perfect “in Christ”, his present state is as imperfect as his experience in daily life, and there is therefore also a progressive sanctification wherein the believer is to “grow in grace” and to be “changed” by the unhindered power of the Holy Spirit (2 Cor. 7:1; 3:18; 2 Pet. 3:18).

...That, lastly, the child of God will yet be fully sanctified in his state, as he is now sanctified in his standing, when he shall see his Lord and “shall be like Him” (Jn. 3:2; 1 Thess. 3:13; 5:23).

ARTICLE IX
Assurance
We believe...That, because of the eternal purpose of God towards the objects of His love (Eph. 1:4; 2:6, 7) because of His freedom to exercise grace towards the meritless on the ground of the propitiatory Blood of Christ (Rom. 5:8-10; Jn. 10:28), because of the very nature of the divine gift of eternal life (Jn. 5:24; 1 Jn. 5:13), because of the present and unending intercession and advocacy of Christ in heaven (Heb. 7:25; 1 Jn. 2:1), because of the abiding and sealing presence of the Holy Spirit in the hearts of all who are save (Jn. 14:16; Eph. 1:13, 14) we, and all true believers everywhere, can have a firm assurance of our salvation (Heb. 6:18, 19).

We believe also, however...that since God is a holy and righteous Father (1 Pet. 1:15, 16), and cannot overlook the sins of His children (Hab. 1:13), He will, when His children persistently sin and fail to judge themselves (1 Cor. 11:31), chasten them and scourge them in infinite love (Heb. 12:6) in order that He may at last present them blameless before the presence of His glory (1 Cor. 11:30, 31; Eph. 5:25, 26; 1 Cor. 5:5).

ARTICLE X
The Church
We believe...That the Church is the mystical Body and Bride of the Lord Jesus Christ (Col. 1:18; Rev. 21:9), which He began on the Day of Pentecost (Matt. 16:18; Acts 2:47), and will complete at His second coming (1 Thess. 4:16, 17; Rom. 11:25).

...That all true believers of this dispensation, irrespective of membership in the organized local churches of earth, have been baptized into this Body of Christ by the Holy Spirit (1 Cor. 12:12, 13; cf. 1:2).
...That the members of this one Body should wherever possible, assemble themselves together into local churches for worship, prayer, fellowship, and teaching (Heb. 10:25; Acts 2:42), and for the observance of the ordinances of baptism and the Lord’s Supper (Matt. 28:19; 1 Cor. 11:23-26).

...That it is the solemn duty of its members to “keep the unity of the Spirit in the bond of peace” (Eph. 4:3), rising above sectarian differences (1 Cor. 3:3,4), and loving one another with a pure heart (1 Pet. 1:22).

...That the first and foremost mission of the Church in the world today is to witness for Christ among the nations (Matt. 28:19, 20; Mk. 16:15; Acts 1:8).

ARTICLE XI
The Blessed Hope
We believe...That the Second Coming of Christ (Heb. 9:28) will take place in two stages, the first being the Rapture (1 Thess. 4:13-17) when He comes as the “Morning Star” (Rev. 22:16), in the air (1 Thess. 4:17) to receive His own (Jn. 14:3) and the second being the Revelation (2 Thess. 1:7,8) when He comes as the “Son of Righteousness” (Mal. 4:2) to the Mount of Olives (Zech. 14:4) to be received by repentant Israel (Zech. 12:10);

...That, according to the Word of God, the next great event in the fulfillment of prophecy will be the pre-Tribulation coming of Christ (Rev. 3:10,11) in the air to receive to Himself His own, both those who have fallen asleep and those who are alive and remain unto His coming (1 Thess. 4:13-17; 1 Cor. 15:51,52; Jn. 11:25, 26);

...That this is the “blessed hope” of the Church (Tit. 2:13), an event for which we should constantly be watching, the time being unrevealed but always imminent (Mk. 13:32-37; Rev. 22:12,20);

...That this event will be followed by the judgment of the believer’s works for reward at the Judgment Seat of Christ (Rom. 14:10; 2 Cor. 5:10; 1 Cor. 3:11-15) a judgment which may result in the loss of rewards, but not the loss of salvation (1 Cor. 3:11-15) and by the Marriage of the Lamb just before the Lord returns in glory (Rev. 19:7-9).

ARTICLE XII
Christ’s Glorious Appearing
We believe...That the world will not be converted previous to the Second Coming of Christ, but is day by day ripening for judgment (Lk. 17:26).

...That this dispensation will end with a fearful apostasy in the professing Church (1 Tim. 4:1; 2 Tim. 4:3, 4; 2 Thess. 2:11, 12) which during the Great Tribulation (Matt. 24:21), will be headed by a personal Antichrist (2 Thess. 2:3, 4; 1 Jn. 2:18).

...That God’s righteous judgments will then be poured out upon the world (Rev. 6:1-18:24).

...That at the close of this period (Matt. 24:29, 30) the Lord Jesus Christ will personally, visibly, and gloriously descend from heaven (Rev. 1:7; 19:11-16) with the Church (Zech. 14:5; Jude 14) and His holy angels (2 Thess. 1:7) to bind Satan in the bottomless pit (Rev. 20:1-3), judge the living nations (Matt. 25:31-46), restore to Israel her land (Deut. 30:3-5; Ezek. 37:21; Isa. 11:11, 12), establish His glorious and literal kingdom over all nations for a thousand years (Acts 15:16; Rev. 20:4-6), lift the curse which now rests upon the whole creation (Isa. 11:6-9; Rom. 8:19-23), and bring the whole world to the knowledge of the Lord ( Isa. 11:9; Hab. 2:14).

...That at the end of the thousand years, Satan shall be loosed for a short season to deceive the nations (Rev. 20:7-9).

...That the unsaved dead shall then be raised, judged according to their works, and cast into the Lake of Fire prepared for the devil and his angels (Rev. 20:11-15; Matt. 25:41).

...That, as the Son of David (Lk. 1:32), Christ will finally deliver up the Messianic Kingdom to God the Father, in order that He, as the Eternal Son, may reign with the Father in the New Heaven and the New Earth eternally (1 Cor. 15:24-28; Rev. 21:1).

ARTICLE XIII
The Future Life
We believe...That the spirits of the SAVED at death go immediately to be with Christ in heaven (2 Cor. 5:8; Phil. 1:21-23), where they abide in joyful and conscious fellowship with Him until He comes for His own (1 Thess. 4:14), when their bodies shall be raised from the grave and changed into the likeness of His own glorious body (1 Cor. 15:25-58; Phil. 3:20, 21), and in that state forever to enjoy the presence of the Lord (1 Thess. 4:17) and to reign with Him on Earth (Rev. 5:10; 20:6) and throughout eternity (Rev. 22:5).

...That the spirits of the UNSAVED at death descend immediately into Hades (Lk. 16:23; Num. 16:33) where they are kept under conscious punishment and misery (2 Pet. 2:9, RV), until the judgment of the Great White Throne after the Millennium (Rev. 20:11), at which time Hades will deliver up its dead (Rev. 20:13) and their bodies shall be raised from the grave (Rev. 20:5); they shall be judged according to their works (Rom. 2:3-6; Rev. 20:12), and be cast into the Lake of Fire (Rev. 20:15; 21:8), not to be annihilated (cf. Rev. 19:20; 20:10), nor ultimately restored (Rev. 22:11), but to be punished with final and everlasting destruction away from the presence of the Lord (2 Thess. 1:9).

ARTICLE XIV
Angels, Fallen and Unfallen
We believe...That God created an innumerable company of sinless, spiritual beings, known as angels (Col. 1:16; Heb. 12:22).

...That one, Satan, a personal being of the highest rank (Ezek. 28:12-19) through pride (1 Tim. 3:16) and unlawful ambition (Isa. 14:12-15) rebelled against God and fell, thereby becoming completely depraved in character (Jn. 8:44) and the leader of a large host of evil angels and demons who followed him in his fall (Rev. 12:9; Matt. 22:24, RV; Jude 6).

...That a great company of angels kept their holy estate (Mk. 8:38), and are before the throne of God (Rev. 5:11) from whence they are sent forth as ministering spirits, to minister to the heirs of salvation (Heb. 1:13, 14).

...That Satan was judged at the cross (1 Jn. 3:8) and through subtility led our first parents into transgression (2 Cor. 11:3), accomplishing their moral fall (Gen. 3:1-7), and, as the “god of this world,” subjecting them and their posterity to his own power (2 Cor. 4:4).
...That Satan was judged at the cross (Jn. 16:11; Col. 2:15), and, although that judgment was not immediately executed, he will ultimately be “cast into the lake of fire and brimstone” where, together with the fallen angels and all the unsaved, he will be “tormented day and night forever and ever” (Rev. 20:10,15; Jude 6).

ARTICLE XV

The Christian’s Walk

We believe...That the believer is called with a holy calling (2 Tim. 1:9) to walk not after the flesh, but after the Spirit (Rom. 8:4) and so to live in the power of the indwelling Spirit, that he will not fulfill the lust of the flesh (Gal. 5:16-18).

...That as the flesh with its fallen Adamic nature in this life is never eradicated (Rom. 7:23; 1 Jn. 1:8; 1 Ki. 8:46; Phil. 3:12), it needs to be kept by the Spirit in constant subjection to Christ (Rom. 6:11-13; Eph. 4:22-24; 1 Cor. 10:12; 2 Cor. 10:5).

...That good works are in no sense the procuring cause of salvation (Eph. 2:8-10), but are its proper evidence and fruit (1 Jn. 3:9-10; Tit. 2:14; Matt. 7:16-20).

...That since our citizenship is in heaven (Phil. 3:20, RV), we as the children of God should live a consistent, separated Christian life (Rom. 12:2; 2 Cor. 6:14-17; Eph. 5:11), and abstain from all worldly amusements and unclean habits which defile mind and body (1 Thess. 5:22; 1 Pet. 2:11; Rom. 13:14; 1 Cor. 6:19, 20), and from such worldly practices as: the swearing of oaths (James 5:12), affiliation with secret societies (2 Cor. 6:14), using courts from settling disputes between believers (1 Cor. 6:1-8), taking personal vengeance and participating in carnal strife (Rom. 12:17-21; 2 Cor. 10:3, 4), and divorce as forbidden by the Lord (Matt. 19:9; Rom. 13:9).

...That the believer should keep the Word of the Lord (Jn. 14:23), seek those things which are above (Col. 3:1, 21), walk as He walked (1 Jn. 2:6), be careful to maintain good works (Tit. 3:8), and especially accept as a solemn responsibility the duty and privilege of bearing the Gospel (1 Cor. 5:19; Jn. 15:16), remembering that a victorious, fruitful life is possible only to those who in gratitude for the infinite and undeserved mercies of God have presented themselves wholly to Him for His service (Rom. 12:1, 2).
